"What is needed is a Christian Life distinguished above all in the Art of Prayer"

John Paul II in Apostolic Letter Novo Millennio Inuente (9)

As these meditations are in depth, they are to be prayed slowly and reverently allowing time for the lesson to sink into the soul. There is no need to be concerned with praying all 5 or more mysteries all at once. The intention of Divine Will is to embody all that It does in every act. In one mystery alone for example ALL possible lessons are there - for Jesus is All in all - and the Cross of His Passion was in Him from Conception. The following words of Our Lady to Saint Dominic should suffice to help us understand Her Will in regard to praying Her Rosary - as well as the recommendations of our Holy Father, Pope John Paul II in this regard in his wonderful letter on the Rosary of the Virgin Mary - 2002.

"The Christian people sit at the school of Mary and are led to contemplate the beauty on the Face of Christ and to experience the depths of His Love. Through the Rosary the faithful receive abundant grace, as though from the very hands of the Mother of the Redeemer. (The Mysteries) put us in living communion with Jesus through - we might say - the Heart of His Mother ... But the most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering among the faithful that commitment to the contemplation of the Christian Mystery, which I have proposed in the Apostolic Letter Novo Millennio Inuente as a genuine "training in holiness":

"What is needed is a Christian Life distinguished above all in the Art of Prayer". (9) *In as much as contemporary culture, even amid so many indications to the contrary, has witnessed the flowering of a new call for spirituality, due also to the influence of other religions, it is more urgent than ever that our Christian communities should become "genuine schools of prayer". (10)*

The Rosary belongs among the finest and most praiseworthy traditions of Christian contemplation.

... Without this contemplative dimension the Rosary would lose its meaning ... as Pope Paul VI clearly pointed out: "without contemplation, the Rosary is a body without a soul and its

recitation runs the risk of becoming a mechanical repetition of formulas, in violation of the admonition of Christ: 'In praying do not heap up empty phrases as the Gentiles do - for they think they will be heard for their many words' (Matt 6:7)" ...

"By its nature, the recitation of the Rosary calls for a quiet rhythm and a lingering pace, helping the individual to mediate on the mysteries of the Lord's Life as seen through the eyes of Her who was closest to the Lord. In this way the unfathomable riches of these Mysteries are disclosed. (14) ...

The Rosary mystically transports us to Mary's side as She is busy watching over the human growth of Christ in the home of Nazareth. This enables Her to train us and to mould us with the same care, until Christ is 'fully formed' in us. (cf. Gal 4:19)"

"The Secret of the Rosary"

by St Louis Marie Grignon de Montfort

"Our Lady spoke this to Blessed Alan de la Roche in a vision, 'When people pray 150 angelic salutations, this prayer is very helpful to them and a very pleasing tribute to Me. But, they will do better still and will please Me even more, if they say these salutations while meditating on the Life, Death and Passion of Jesus Christ. For this meditation is the Soul of this prayer'"

Pray the Credo, One Our Father, Three Hail Marys and One Glory Be before beginning the Mysteries:

The Resurrection

“I am the Resurrection. If anyone believes in Me, even though He dies He will live, and whoever lives and believes in Me will never die. Do you believe this? ... Unless a wheat grain falls on the ground and dies, it remains only a single grain. But, if it dies, it yields a rich harvest ... anyone who loves his life loses it. Anyone who hates his life in this world will keep it for the Eternal Life.

John 11:25 – 12:24

PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17:12 - 15:4)

Our Father, Who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen. Fiat!

“The Virgin Mary in the Kingdom of the Divine Will”

DAY 28

Lesson of our Queen and Mother

Dearest child, thank you for your company; but if you want your company to be sweet and dear to Me, and bearer of relief to my pierced Heart, I want to find in you the Divine Will operating and dominating, and that you do not surrender even one breath of life to your will. Then, yes, will I exchange you with my Son Jesus, because, His Will being in you, in It I will feel Jesus in your heart, and – oh, how happy I will be to find in you the first fruit of His pains and of His death. In finding my beloved Jesus in my child, my pains will change into joys, and my sorrows into conquests.

Now, listen to Me, child of my sorrows: as my dear Son breathed His last, He descended into Limbo, as triumpher and bearer of glory and happiness to that prison in which were all the Patriarchs and Prophets, the first father Adam, dear Saint Joseph, my holy parents, and all those who had been saved by virtue of the foreseen merits of the future Redeemer. I was inseparable from my Son, and not even death could take Him away from Me. So, in the ardour of my sorrows I followed Him into Limbo and was spectator of the feast, of the thanksgivings, which that whole great crowd of people gave to my Son, who had

suffered so much, and whose first step had been toward them, to beatify them and to bring them with Himself to celestial glory. So, as He died, conquests and glory began for Jesus and for all those who loved Him. This, dear child, is symbol of how, as the creature makes her will die through union with the Divine Will, conquests of divine order, glory and joy begin, even in the midst of the greatest sorrows.

Even though the eyes of my soul followed my Son and I never lost sight of Him, at the same time, during those three days in which He was buried, I felt such yearnings to see Him risen, that in my ardour of love I kept repeating: "Rise, my Glory! Rise, my Life!" My desires were ardent, my sighs, of fire - to the point of feeling consumed.

Now, in these yearnings, I saw that my dear Son, accompanied by that great crowd of people, went out of Limbo in act of triumph, and brought Himself to the sepulchre. It was the dawn of the third day, and just as all nature had cried over Him, now it rejoiced; so much so, that the sun anticipated its course to be present at the act in which my Son was rising again. But, oh marvel - before rising again, He showed that crowd of people His Most Holy Humanity - bleeding, wounded, disfigured; the way it had been reduced for love of them and of all. All were moved, and admired the excesses of love and the great portent of Redemption.

Now, my child, oh, how I wish you to be present in the Act in which my Son rose again. He was all Majesty, His Divinity, united to His soul, unleashed Seas of Light and of enchanting beauty, such as to fill Heaven and earth; and, as triumpher, making use of His power, He commanded His dead Humanity to receive His soul again, and to rise, triumphant and glorious, to immortal life. What a solemn act! My dear Jesus triumphed over death, saying: "Death, you will no longer be death - but Life."

With this act of triumph, He placed the seal that He was Man and God; and with His Resurrection, He confirmed His doctrine, His miracles, the life of the Sacraments, and the whole life of the

Church. Not only this, but He obtained triumph over the human wills, weakened and almost extinguished to true good, to make triumph over them the Life of that Divine Will which was to bring to creatures the fullness of sanctity and of all goods. And at the same time, by virtue of His Resurrection, He cast into the bodies the seed of resurrection to everlasting glory. My child, the Resurrection of my Son encloses everything, says everything, confirms everything, and is the most solemn act that He did for love of creatures.

Now, listen to Me, my child; I want to speak to you as the Mama who loves her child very much. I want to tell you what it means to do the Divine Will and to live of It; and my Son and I give you the example. Our life was strewn with pains, with poverty, with humiliations, to the point of seeing my beloved Son dying of pains; but in all this ran the Divine Will. It was the Life of our pains, and We felt triumphant and conquerors, to the extent of changing even death into Life; so much so, that in seeing the great good, We voluntarily exposed ourselves to suffering because, since the Divine Will was in Us, no one could impose himself on It, or on Us. Suffering was in our power, and We called upon it as nourishment and triumph of Redemption, so as to be able to bring good to the entire world.

Now, dear child, if your life and your pains have the Divine Will as their centre of life, be certain that sweet Jesus will use you and your pains to give help, light and grace to the whole universe. Therefore, pluck up courage; the Divine Will knows how to do great things wherever It reigns; and in all circumstances, reflect yourself in Me and in your sweet Jesus, and move forward.

The soul: *Holy Mama, if You help me and keep me sheltered under your mantle, acting as my celestial sentry, I am certain that I will convert all my pains into Will of God; and I will follow You, step by step, along the interminable ways of the Supreme Fiat, because I know that your charming love of Mother and your power will conquer my will, and You will keep it in your power and exchange it with the Divine Will. Therefore, my Mama, I entrust myself to You, and I abandon myself into your arms.*

☼ Jesus, I immerse myself in Your Resurrected Body and Its Glorious State of radiating all the Beauty of the Divine Light. I pray that immersed in this “Sun”, I be dissolved in It and become One with Its Light radiating It to all the creatures from Adam and Eve to the last who shall live on the face of the earth. Let nothing remain outside in the darkness created by the human will. Jesus, I bring all souls into the Radiance of Your Light and disperse the darkness once and for all. Let us resurrect Your Eternal Day on earth. In the infinite desires of Your Divine Will, let us begin a plan for the complete annihilation of ‘Darkness’. In each ray of the Divine Light I want to create a *‘Divine Life’*, who will radiate Your Sun eternally for every soul you have created, so that nothing will be wanting to glorify Our Eternal Father in the Love of the Holy Spirit.

☼ I embrace with all the Love of Your Divine Will our dearest Mother, who alone truly believed in Your Word that You would rise again. In Her Faith I pray that You rise again in every heart dispersing all darkness. I pray it for as many times as Holy Mother prayed it. I pray it for as many times as Mary of Magdala and Luisa longed to see You again. In every cavern of loss I go with You and shine Your radiated Presence to all. As You descended into ‘hell’, I place my *‘I love You’* on all You do crushing the pride of Satan. I too want to annihilate the demons and prevent them from surfacing on the earth ever again. I therefore show them Your Resurrected Body and Your Sacred Heart aflame with Divine Love for souls and I command them to disappear and never hinder or harm souls again. I thank You in Your own gratitude for the gifts You gave to our Holy Mother on that Day of days; and that She has shared them with us, Her undeserving children. In Your Resurrected Body I embrace Her, love Her and glorify Her. **Hail Mary!**

☼ Jesus, my gloriously resurrected Lord, I do not cleave to You because, as You said to Your beloved Mary of Magdala, You must ascend to Your Father, in order to procure in that embrace, the Gift of the Holy Spirit for all Your children. The Father first

must receive the great Gift of embracing Your Resurrected Body, in which You bring to Him all Creation glorified in You, the True Light, who came from His Light to bring to the Infant Church and all humanity the amazing Light of the Holy Spirit. How eagerly You wanted to ascend to Your Father for His sake and ours. What Love issued forth in that Divine Embrace. I immerse myself and all humanity in Your Will to experience the great Joy of being embraced by our Father and restored to His House.

🌸 I immerse myself in Your instruction to Your beloved Mary of Magdala to once again choose *'the better part'* – Your Divine Will, rather than Your Divine Humanity; and I take this instruction to every heart calling all to enter now into the Eternal Light of Your Will and embrace all Its Acts. May we be dissolved in the Eternal Love of the Son for His Father and the Father for His Son; and that all souls who have never known a father on earth may know their Heavenly Father as You know Him and love Him. Amen. Fiat! **Hail Mary**

🌸 Jesus, I pray continuously in Your soul for all glory to be given to the Eternal Father the Acts of Your Resurrection. I fuse all our little faith in Your Divine Faith in the Father's Eternal Love for You - that the poverty of our faith may receive all its riches from Your Faith. Father! May all believe in You and Your beloved Son, Jesus as *"The Resurrection and the Life"*. In every molecule of His gloriously risen Body, I birth a Divine Life that will go to every soul, suffocated by the human will, and I ask these *Divine Lives* to call the 'dead' out of their graves saying, *"Soul come to Me, I am the Resurrection and the Life, only in Me will you find the power to rise again. Turn to Me and be saved!"*
Hail Mary

🌸 Jesus, I see that though You obtained the resurrection of all in the divine version of themselves, You Sorrow from within the Heart of Your Mother for all those who do not believe, especially Your doubting apostles. In Your glorious state You can no longer suffer but the Heart of Your Mother takes all Your sufferings upon Herself to bring Her 'newborn' children into the

fullness of Your Light. Holy Father, see how Your Jesus suffers in the Sorrowful Heart of Our Mother, who is the embodiment of His Church and One with Him. He is Head, She is Heart. She bears within Her all the pain of the doubting apostles. O Holy Mother I share Your sorrow for every generation of disbelievers, especially those who have been shown such immense love by their Creator and by you; and yet still persist in their disbelief even to the point of rejecting His Divine Truths.

🌸 How Your Church suffers from these false teachings in Your children starved for Your Truth. Holy Mother I fuse myself and all humanity into Your Sorrows and in each one birth a Divine Life who will repair for such errors. But please convert the apostates, especially the priests. Holy Mother, save your Church together with Luisa and all the blessed, through Your faith-filled prayers and Love. Bring Jesus' prayer to fruition "*that not one may be lost*". I offer together with You the glorious Wounds of Jesus, now radiating their Light to all Creation that in them we will see the fullness of His Light and bathe in the majesty of His Truths. Amen. Fiat! **Hail Mary**

🌸 Jesus, I fuse myself into Your Divine Will to breathe, speak, act, love and live in You. I enter into the Tomb with You Jesus, to suffer all the darkness and death the human wills have given to You; so that as You rise, I may infuse the glorious destiny of every soul into them and thereby give to You all the joy of humanity fully glorified. What mercy is in this experience. Thank you, Jesus for allowing the one who has crucified you to be able to embrace and even enter Your Resurrected Humanity with the Gift of Living in Your Divine Will. Amen. Fiat! **Hail Mary**

🌸 Jesus, my Life, carry me in You through every darkness You allow for me. In Your arms all is well as long as Your Truths shine in my heart and Your Words reverberate in all my being. I love You in each one; for in each one of Your Words is a new resurrection for me. May these Words of Yours dear Love of my heart form the Sea I travel on that cradles me. Jesus, I pray You to give Me Your father Joseph as my special protector and provider

for all my needs; but more so that he reveals to me the essence of Your divine fatherhood as a shelter for my newly born being. Amen. Fiat! **Hail Mary**

✿ Jesus, in Your Resurrected Body of Light, You are able to pass through solid objects, move at the speed of Light and bypass all the restrictions of nature in regard to our mortal bodies. For, Jesus, You are immortal and immutable. You are beyond the grasp of our hands and of our minds. Only Love can embrace You – Your own Divine Love. So, I transfuse myself into You in order to take that Divine Love and embrace Your beautiful Body and with It to tell You Jesus how much I love You, I praise You, I bless You and I thank You. I give to every wounded body and soul Your glorious body and soul. Jesus, radiate Your Light into all minds so that they will surrender themselves to You. If Your beautiful Humanity could not convert their hearts, perhaps Your glorified Humanity will – even as it changed the doubting Thomas as he plunged his fingers into your wounds. **Hail Mary**

✿ Jesus, let me bring to You the little children You love so much – especially to see You resurrected and glorious. Oh, how they will love to be embraced by You, Jesus – as their true Father. These little ones have been so denied the vision of You in glory. How they have been starved - being fed on worldly doctrines, false religions, cults and foolish entertainments, instead of being taught to pray. In Your Divine Will and Its Heart, I invest all children with the hunger and yearning for prayer. If their guardians do not do it, I send them their guardian angels to teach them to pray. Jesus, I beseech You with all the Ardours of the Divine Will, let the little ones see You, glorious and resurrected. **Hail Mary**

✿ Jesus, gloriously resurrected, I kneel at Your feet to acclaim You as my God and my Redeemer and the only One Who can generate in me Divine Life. Let me bring to You all Your most loving souls to bless them with the first Blessing from Your Resurrected Body. I bring You the ones who have suffered the most for Love of You and souls. Then I bring You your faithful

priests and consecrated ones. I bring You all the married couples who have remained faithful despite great trials. I bring you the virgins and the young who have remained chaste. I bring you all those who have worked in the world but remained not of the world. I bring you the pure of heart and childlike of spirit. Jesus, I bring You the dying to receive from You their last blessing and Your radiant beauty to lure them away from the subtleties of that last temptation. I bring You the innocent who are being tempted for the first time and ask You to appear to them with all Your radiance that they may not fall into sin. I bring you the conflicted, the confused, the tortured, the deceived, the broken hearted, the oppressed, obsessed and possessed and fuse all into the perfect order of Your Will. I pray this in Your Resurrected Humanity. Amen. Fiat! **Hail Mary**

✿ Jesus, You said You must ascend to the Father in order to send to Your newly conceived Church the Holy Spirit Who would open up hearts to the fullness of the Truth in all Your teachings. I pray in the Divine Will that the Conception of Your Truth may radiate in Your Church and in all Your children in every generation. I take the sceptre of Your command and drive out from the Church the deceptions of Anti-Christ. And so I pray from within Your Resurrected Body – *“Come Holy Spirit! Come by means of the powerful intercession of the Immaculate Heart of Mary, Your well beloved Spouse.”* **Hail Mary**

And in all the Acts of the Divine Will found in this Mystery we pray,

✿ *Glory be to the Father, Son and the Holy Spirit as it was in the beginning, is now and ever shall be, world without end. Amen.*

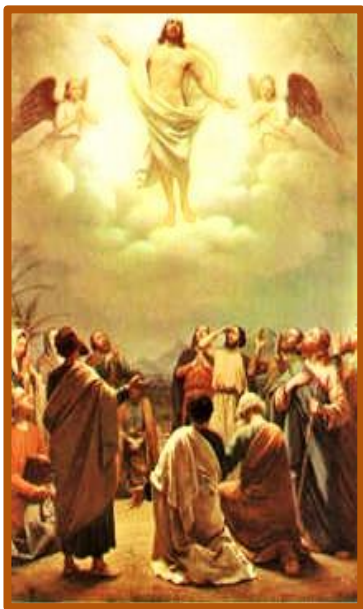

✿ *Oh, my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*

✿ *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us!*

PRAYER AFTER THE MYSTERY

Supreme Majesties! As Your little children we come into Your adorable Hearts, to offer You all the Acts of the Divine Will found in this Mystery, and in them create in Your Divine Womb the divine lives You so desire. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. Amen!

The Ascension

“Do not let your hearts be troubled. Trust in God still, and trust in Me. There are many rooms in my Father’s House. If there were not, I should have told you. I am going now to prepare a place for you, and after I have gone and prepared you a place, I shall return to take you with Me – so that, wherever I am, you may be too. You know the way to the place where I am going ... I am the Way, the Truth and the Life. No one can come to the Father except through Me. If you know Me, you know My Father too. From this moment you know Him and have seen Him.” John 14:1-7

“Now as He blessed them, He withdrew from them and was carried up to Heaven. They worshipped Him and then went back to Jerusalem full of joy; and they were continually in the Temple praising God.”

Luke 50

“After this I was accompanying the Ascension of Jesus to Heaven, how beautiful he was, all majesty, vested with the most refulgent light that enraptured and captivated hearts to love him, and my sweet Jesus all goodness and love said to me:

“My blessed daughter, there is nothing drawn from my life that doesn’t symbolize the kingdom of my Divine Will, in this day of my Ascension I felt victorious and triumphant, my sufferings were already finished, rather I left my sufferings suffered already, in the midst of my children that I left upon the earth, for help, for strength and for support, and as refuge where to hide in their sufferings, in order to draw from my heroism in their sacrifices, I can say that I left my sufferings, my examples and my Life itself, as seed that growing and maturing itself the Kingdom of my Divine Will should arise.

So that I departed and I remained, I remained in virtue of my sufferings, I remained in their hearts in order to be loved, afterwards my Most Holy Humanity went up to Heaven, I felt more pressed (by) the bond of the human family, hence I would not be adapted to receive the love of my children and brothers, that I left upon the earth, I remained in the Most Holy Sacrament in order to give myself continually to them and they to give themselves to Me, in order to have them find the rest, the relief and the remedy to all their needs. Our works don’t suffer mutability, that which we do one time we always do.

Beyond this in this day of my Ascension I had double crowns, the crown of my children that I brought with me into the Celestial Country, and the crown of my children that I left upon the earth, they symbolized the few that will have beginning of the Kingdom of my Divine Will; all those that saw Me ascend to Heaven they received so many graces, that everyone put forth (their) life in order to make the Kingdom of the Redemption known, and they cast the foundations in order to form My Church, in order to make gathered in her maternal womb all the human generations, thus the first children of the Kingdom of My Will. They will be few, but the graces will be such and so many with which they will be invested, that they will put forth (their) life in order to call

everyone to live in this Holy Kingdom. A cloud of Light invested Me, which took my presence away from the sight of my disciples, whom remained as statues in watching my Person, that such was the enchantment of my beauty, that it held their pupils enraptured, so much so that they didn't know how to abase them in order to look (to) the earth, so much so that there was needed an Angel in order to shake them and to make them return to the Cenacle.

Also, this (is) symbol of the Kingdom of my Volition, the Light will be such and so much that it will invest his first children that will carry the beauty, the enchantment, the peace of my Divine Fiat, in a way that they will easily surrender themselves to want to know and to love a good so great.

Now in the midst of the disciples there was my Mama, that assisted in my departure for Heaven, this it is the most beautiful symbol. So that She is the Queen of my Church, assists it, protects it, defends it.

Thus she will sit in the midst of the children of my Will, She will be always the engine, the life, the guide, the perfect model, the Majesty of the Kingdom of the Divine Fiat that is so much to her heart, they are her anxieties, her ardent desires, her deliriums of Maternal Love, that she wants her children in earth in the Kingdom where She lived, she is not content that she holds her children in Heaven in the Kingdom of the Divine Will, but she also wants them upon the earth, she feels that the assignment given her by God as Mother and Queen she has not completed it, her mission is not finished, up to such that the Divine Will doesn't reign upon the earth in the midst of creatures. She wants her children that resemble her and that possesses the inheritance of their Mama.

Therefore, the great Lady is all eye in order to watch, all heart in order to love, in order to help who she sees in some way disposed, that they want to live of Divine Will. Hence in the difficulties think that She is around you, supports you, strengthens you, takes your volition in her maternal hands in order to make it receive the life of the Supreme Fiat.”

V 34: May 20, 1936

*“As I watched thrones were set in place,
And One of great age took His Seat.
His Robe was white as snow,
The hair of His Head as pure as wool.
His throne was a blaze of flames,
Its wheels were a burning fire.
A stream of fire poured out,
Issuing from His Presence.
A thousand, thousand waited on Him,
Ten thousand times ten thousand stood before Him.
A court was held and the books were opened.
I gazed into the visions of the night and
I saw, coming on the clouds of heaven,
One like a Son of Man.
He came to the One of great age,
and was led into His Presence.
On Him was conferred Sovereignty,
Glory and Kingship
And men of all peoples, nations and languages
became His servants.
His sovereignty is an Eternal Sovereignty
Which shall never pass away nor will
His Empire ever be destroyed.*

Daniel 7:9-1, 13-14

PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17:12 - 15:4)

Our Father, who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.

✿ Jesus, Divine Will, I fuse myself and all humanity into all Your Acts ascending to the Eternal Father to embrace Him, bringing with You all the souls You have saved in the Ardours of Your Will. I accompany you with my joyful cries of “*Alleluia! Praise be to the Trinity and to Jesus Who has triumphed over all the evil spirits and brought uncountable souls to heaven for the Glory of our Eternal Father.*” I am there with our Mother and Luisa and all the *Divine Lives* You carry with You in triumph. I am there with our first father Adam. I am there with all the patriarchs, our dear Abba Joseph at the fore. I am there with all the prophets, St John the Baptist and Elijah at the fore. I am there with all the priests, Padre Pio and Melchizedek at the fore. I am there with all the kings, David at the fore. I am there dancing around You as David danced around the Ark when he brought it up to Jerusalem. I am there with all the souls You have drawn to Yourself and I immerse myself in all the adoration, the songs, the dancing and celebration of this great feast. I am bringing with me everyone to receive their blessing from the King of Kings and the Conqueror of all false kingdoms. I trust that through the countless times I have immersed my children and all souls in the divine versions of themselves that You created that now is the moment they will be clothed by You and presented to Our Father.

✿ I am there too with my dear mother, Luisa and all her children who she drew into the embrace of Your Divine Will; and

how much I thank her for all the sufferings, pains and tears she bore to bring me along with her into Your Kingdom. Then last but best of all, You will take me to my Heavenly Father and together with the Holy Spirit, He will bless me and welcome me into His arms and I will kiss Him with all the kisses I've given Him in my acts done in His Will. Amen. Fiat! **Hail Mary**

☼ I love You, dear Jesus, in Your kneeling before Your Father and receiving Your Crown of Glory and in that Glory I invest all humanity. I praise our Mother, Mary, as She receives Her Crown of Glory and I place myself in Your hands to place the Crown upon Her Head and then I kneel before Your Majesties and on behalf of every creature I adore, praise, love and bless You both, asking for the Fiat to descend upon earth as in Heaven. Fiat! **Hail Mary**

☼ I love You Jesus in, having received Your Crown, You ardently desire to reign in all Your children. In this desire, so ardent You invest in your little daughter Luisa the Ardours of the Divine Will to live out her holy life in poverty and sacrifice so that all Your children can receive this great gift in future generations. I invoke all the *Divine Lives* she created in You, to induce many more souls to gift themselves to You as 'victims' of Your Love and Will, so that the whole earth will be sanctified and never more rupture into disorder. Fiat! **Hail Mary**

☼ I love You Jesus, in the knowledge You give to those glorified together with You, who did not live in the Era of the Divine Will, that they too will share in Its Glories in Heaven. You tell them that every increase in glory they receive will come from the fecundity of the Divine Will in souls who will enter Luisa's Fiat. This knowledge stimulates and inspires the glorified to pray ever more ardently in Heaven for those who are to receive this gift on earth – so that all Creation may share in the magnificent, infinite and eternal dimensions of the Divine Will. No one is left out from Adam to the last who shall live on the face of the earth. Your Mercy finds Its way to all Your children outside the dimensions of Time! As a victor sends his governors

to go and claim the kingdoms he has conquered, I send all the *Divine Lives* created by You, Holy Mama and Luisa to go forth and claim the kingdoms of the human will for Your Kingdom of the Divine Will. I ask the holy choir of Principalities to remain as guardians of each of these kingdoms until You come again to govern the earth. Fiat! Alleluia! **Hail Mary**

✿ I love You Jesus as You dance with all Your Family – a dance never seen before; and You sing a song never sung before. I am there too Jesus, dancing and singing with You. In the Mercy of the Divine Will I send the revelations of this new dance and song upon the earth – to all the generations, so that, those who are seeking true holiness of life may see and hear It and find a way to bring Its beauty into their own prayers and liturgies. May all the gracefulness of the *Immaculate Conception*, our Mother, teach us to imitate You perfectly in this song and dance. And may Its beauties annihilate all the dances and songs of the earth that have served to worship false gods – so that their ugliness may never be seen or heard of again. And from this One Beautiful Song You sing Jesus, I see the Seed of all Music that the Father's Will intended to be sung on the earth from the beginning and yet was not sung due to our defections from Your Truths. But our Father now hearing It sung is requited for His grief and glorified in It. Oh, what celebrations in Heaven today Jesus! **Hail Mary**

✿ I love You Jesus, as our newly crowned King, You have the right to dispense Your Infinite Treasures upon Your subjects. I immerse myself and all Creation in the glorious Light radiating from Your Face, as You find infinite Joy in this privilege given only to You, the great King of Mercy. Holding Your beautiful sceptre You begin Your Reign and let flow all Its dispensations upon the Church. First You crown Our Blessed Mother as Its Queen and Teacher, then flood the Apostolic Order with the Lights of the Holy Spirit and from them, sending rivers of Light throughout the nations. I fuse myself into You as you honour our holy Mother, Abba Joseph and Luisa and all souls who lived in You the pains of Your Passion above all Your Interior Passion of Love that has now words to describe it. I dispense all the Love of

Your Divine Will to all the generations and that knowledge that Your Mercy forgives all offences if we repent. Fiat! **Hail Mary.**

☼ Oh Jesus, I want to be everywhere You are and to participate to the full in everything You do for, only when You do it does it bring great glory to our Eternal Father. So, let me do all in You and in Love for You. I enter Your Eternal Act of wanting to glorify the Father's Will and invest Its Fecundity in all Your children. Now as King of Mercy You can do all since You have at Your disposal the merits of Your Holy Passion and in It is Eternal Grace and abundance of Life. Let us give that Life to all those dying from the suffocating constrictions of the human will. Let us wake them up from their 'comas' and fuse into them Your Will. Let us call all the angels to help us to whisper in the hearts of each soul, *"Soul, wake up! Your Lord awaits You with a special gift that will give you new life. Wake up and say, "Yes" to your Lord and Creator."* Amen. Fiat! **Hail Mary**

☼ Dearest Jesus, what more are You doing now at the celebration of Your Ascension? I see as You travel through the galaxies, all the stars, suns and moons bless You and all creation form a guard of honour for You as You ascend. And in Your great kindness You thank each one for having consoled You on earth, during Your great afflictions while Your own flesh and blood children did not. It was these stars that watched over you at your birth and in Your Agony in the Garden and on many other nights of prayer in solitude. You ask them, therefore, to be consolations for your suffering children on earth, during the dark nights of their exile and You give to each one of Your creatures their special mission, as You did at the beginning of Creation.

☼ Now however, knowing You will form the Order of 'victim souls', who will be Your special companions in bringing the Father's Glories to earth, You give a unique commission to each and every creature, each and every angel to assist those who will participate in Your Passion to one degree more or less. They are not to be denied their help. They are to be regarded as Your

other Selves. The creatures say, “Fiat” and You invest them with the power of that “Fiat” to do what they now must do.

✿ I see also that there is a guard of honour to the left and right of You as You ascend – a guard of the “*Divine Lives*” Your most holy Mother and Luisa have created in all their acts done in Your Will. These lives are Your greatest tribute to our Father and bring Him immense Joy. I embrace the Divine life You created for me and rejoice in it. Amen. Fiat! **Hail Mary**

✿ Jesus, speak to my heart so I may give glory to You and to the Eternal Father and Mother. I see that You begin Your reign re-ordering the whole Universe, creating the new heavens and new earth. Your Acts are the building materials for Creation, Redemption and Sanctification. You take great delight in building this “*City of God*” and “*Behold I go to prepare a place for you!*”

✿ Oh, Jesus thank you for preparing that particular mansion destined for me. Make me worthy of it in my continual fusion into Your Will. Possess me entirely with Yourself that I may be dressed for entering this ‘home’ my Beloved has built for me. For in each mansion every soul will have their own personal Jesus – so You told Luisa. As the hymn says Jesus, “*Let us build the City of God*”. And like the great builder You are dear One, you even use the ‘refuse’ of our lives and turn this into material for this building, because in casting all into You, all becomes pure and worthy of God. Amen. Fiat! **Hail Mary**

✿ Jesus, my ignorance is such I have to always turn to You, bathe in Your Light and immerse myself in It before I can think, speak, act or even breathe. I bring all Creation with me to be filled with Your radiant Love so that Love, Peace and Joy may reign on earth as in Heaven. In those ‘robes’ of Light in which You are clothed as King of Mercy I place all, so that they may be hidden from the seductions of evil. I want to be buried in the depths of Your Heart where no evil can touch me and as your ‘little newborn’ I rest in your arms safe and sound from every evil fed and nourished by Your Divine Fiat. **Hail Mary**

And in all the Acts of the Divine Will found in this Mystery we pray.

✿ *Glory be to the Father, Son and the Holy Spirit as it was in the beginning, is now and ever shall be, world without end. Amen.*

✿ *Oh, my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*

✿ *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us.*

PRAYER AFTER THE MYSTERY

Supreme Majesties! As Your little children we come into Your adorable Hearts, to offer You all the Acts of the Divine Will found in this Mystery, and in them create in Your Divine Womb the divine lives You so desire. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. Amen.

“Do not let your hearts be troubled. Trust in God; still and trust in Me as well. In My Father’s House there are many rooms. If it were not so I would have told you. I am going there to prepare a place for you? And after I go and prepare a place for you, I will return to take you with Me so that you also may be where I am. You know the way to the place where I am going.”

John 14:2

The Descent of the Holy Spirit

“This is what I pray, kneeling before the Father, from whom every family, whether spiritual or natural, takes its name. Out of His Infinite Glory, may He give you the Power, through His Spirit for your hidden self to grow strong, so that Christ may live in your hearts through Faith, and then, planted in Love and built on Love, you will, with all the saints have strength to grasp the breadth and the length, the height and the depth; until, knowing the Love of Christ, which is beyond all knowledge, you are filled with the utter fullness of God (His Holy Will). Glory be to Him whose Power, working in us, can do infinitely more than we can ask or imagine. Glory be to Him from generation to generation in the Church and in Christ Jesus forever and ever. Amen!”

(Ephesians: 3:14-21)

From "The Virgin Mary in the Kingdom" Day 30

"Then the time came for the descent of the Holy Spirit promised by my Son, in the cenacle. What a transformation, my child. As they were invested, they acquired new science, invincible strength, ardent love. A new life flowed within them, which rendered them intrepid and courageous, in such a way that they scattered throughout the whole world to make Redemption known, and to lay down their lives for their Master. I remained with beloved John, and was forced to leave Jerusalem, as the storm of persecution began. My dearest child, you must know that I still continue my magisterium in the Church - there is nothing which does not descend from Me. I can say that I pour my own self out for love of my children, and I nourish them with my maternal milk. Now, during these times, I want to display a yet more special love by making known how my whole life was formed in the Kingdom of the Divine Will. Therefore, I call you onto my knees, into my maternal arms, so that, forming a boat for you, you may be sure to live in the sea of the Divine Will. Greater grace I could not give you. O please! I pray you, make your Mama content - come to live in this Kingdom so holy. And when you see that your will would want to have some act of life, come and take refuge in the safe boat of my arms, saying to Me:

"My Mama, my will wants to betray me, and I deliver it to You, that you may put the Divine Will in its place. Oh, how happy I will be if I am able to say: "My child is all mine, because she lives of Divine Will." And I will make the Holy Spirit descend into your soul, that He may burn away from you all that is human; and by His refreshing breath, He may rule over you and confirm you in the Divine Will."

PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17:12 - 15:4)

Our Father, who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.

☼ Holy Spirit, I love You with Your own Love and immerse myself in You, as You descend from the Embrace of the Father and the Son, upon the gathering of the Apostles and disciples of the newborn Church. I want to bring the Fire of Your Holy Love upon every gathering of the Church and of holy souls, in every age, time and place. In You alone do I want to Act, breathe, sing, play, work and rest. Let nothing I do be outside of Your Holy Spirit, so all will be pleasing to God and great Joy to my Heavenly Mother, Your Virgin Spouse. Amen. Fiat! **Hail Mary**

☼ Holy Spirit overflow us with Your Love in every moment making each moment a song of adoration. Let no Act of Jesus, Mary, Joseph and Luisa escape me. Make us disappear so that Jesus alone lives in us. Prevent us from forging ahead in the human volition out of habit. Fill us with your Love, patience, mindfulness and how always to gaze upon Jesus in our interior to see what He is doing. Holy Mother let us imitate You and be always prayerfully attentive to the Holy Spirit, Your Spouse as “*Handmaid*” not just awaiting His instructions but sensing through divine intuition what He wants us to do. In this is our safety. Holy Mother teach us how to pray as You prayed. *May it be done to me according to Your Will!* **Hail Mary**

☼ Since Jesus told us Our Father will not refuse us if we ask for the Holy Spirit, I ask on behalf of all humanity that all receive this great gift of His Divine Life and all His Acts. Fill me Holy

Spirit with Your Love for Your Virgin Spouse, Mary Immaculate and assist me always to pray my daily rosary and rounds in Her Love for the Trinity and in Her Faith in the Power, Wisdom and Love of Your Will. **Hail Mary**

🌸 I immerse myself in You as You enter the minds, hearts and souls of the apostles and disciples of the Infant Church and I fuse Your Mind into all human intellects, Your Love into all human hearts, Your Will into all human wills and Jesus Resurrected Body into all human bodies giving all new birth in You. For those who want it, they can have It, for Jesus said to Martha, *“I am the Resurrection and the Life. If you believe in Me you shall never die. Do you believe this?”* Yes Jesus, we do believe and for those who don’t believe, now in the Faith of the Divine Will I invest that belief into all the generations that no one may die eternally, but all may live the Life of Your Holy Spirit and rejoice in the habitation of Your Resurrected Body. **Fiat! Hail Mary**

🌸 Holy Spirit I invest myself in every ‘flame’ of Your Love that ignited the apostles with all the Ardours of the Your Will to sanctify them. I especially fuse myself into all the Ardours of the Love for the Immaculate Conception, our Mother and I multiply these flames to the infinite and I place them in all your children from the first moment of their conception to their dying breath. I especially gift them to the Pope, bishops and priests to inflame them with apostolic zeal for the coming of the Kingdom of the Divine Will. I baptise all in the Fire of Your Divine Will from conception in the perfect Immaculate Being of our Mother Mary. In this heat I germinate the Seed of the Humanity of Christ and in this Humanity, I want to create as many *Divine Lives* as He does, through the fecundity of the Immaculate Conception, our Mother.

🌸 I do this in each celebration of the Sacraments through which Your power to incarnate Jesus is manifest in an extraordinary way. I place these *Divine Lives* at the feet of every sinner to beg for their repentance perpetually and with their holy voices to ask that more than repentance they will receive the Gift

of gifts, the Divine Will. In this way I will succeed in transforming the face of the earth and present it to my beloved Saviour as tribute for all of His sufferings, pains, sorrows and tears and those of His Holy Mother, in Whom all Your own sorrows are hidden. **Hail Mary**

🌸 Holy Spirit I immerse myself in that wind that blew through the House of the Cenacle and I take it to all the generations from Adam to the last man, woman and child and in its billows and roaring, I arouse the sensitivities of souls to the Presence of their Sanctifier, I turn them around forcing them, by the power of this wind, to return to their Creator and Redeemer and implore mercy and salvation for themselves and all souls. Let them know in this Presence a Love they have never known before. Let them feel it brush their cheek, tug at their clothes, move their souls to new fervour of True Love towards self and towards their neighbour. But above all let them be moved to Love their Creator and Redeemer and Heavenly Mother with such an intense Love as has never been known before on the face of the earth. I ask this through every movement of the wind, in all its swirling, in its tornadoes, in its stormy gusts, in its gentle breezes, in its hot breaths. Let nothing the wind does ever be without Your gentle yet firm and insistent Voice, calling souls to repent and believe the Good News that God loves them, forgives them, wants them to accept the Gift of all gifts, His Divine Will, the new Baptism of Your Inflamed Love. Fiat! **Hail Mary**

🌸 Holy Spirit, living and immutable Love, mysterious and ungraspable Love, I immerse myself in You saying, *“I want You and You alone to be the ground under my feet, the words in my mouth, the Breath that I breathe, the Water that cleanses me, the Heart that moves me, the Spirit that gives me volition and the road that leads me to my Father’s Heart and my Mother’s Breast. In this is the Heart of My Saviour in which I ask You to place me as the hermitage of my life. Let me not leave this little enclosure ever. You will see to it please, Holy Spirit of Love. I consecrate my life to You forever to be Your victim of Love. Fiat!”* **Hail Mary**

☼ Holy Spirit, Jesus' Face is the mirror of Your Beauty, yet it is also mirrored in Mary's Face. In gazing upon them I see You and Your Holiness infuses itself into me. In all the *divine lives* created by Your Immaculate Spouse, I ask You to reveal Yourself to me and take possession of my heart and soul, body and will. Holy Spirit, I starve without You. Your echo is in my heart saying, *"You have only to believe in Me and I am there filling You to the full. Do not consider your emptiness. Rather consider your fullness and act on that belief that you are full of Me and in Me everything is possible. Act on that kind of Faith and you will see My Power to bring the great miracle of God's Goodness into your life and the lives of those for whom you pray. Always act in Faith, Hope and Love – but, My Faith, Hope and Love"*. **Hail Mary**

☼ Holy Spirit, I invest myself in Your Tongue, that Tongue that gives speech so that all may understand; that Tongue that is invested with the Fire of the Divine Word that penetrates hearts like a flaming dart and causes multiple conversions and in every heart multiple conversions! Yes, Holy Spirit give us all Your Tongue of Fire, Your Divine Word, Your Divine Breath that gives Divine Life. Fill us, speak in us, or silence us. **Hail Mary**

And in all the Acts of the Divine Will found in this Mystery we pray,

☼ *Glory be to the Father, Son and the Holy Spirit as it was in the beginning, is now and ever shall be, world without end. Amen.*

☼ *Oh, my Jesus forgive us our sins. Save us from the fires of hell and lead all souls to heaven, especially those in most need of Thy Mercy.*

☼ *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us!*

Supreme Majesties! As Your little children we come into Your adorable Hearts, to offer You all the Acts of the Divine Will found in this Mystery, and in them create in Your Divine Womb the divine lives You so desire. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. Amen.

The Assumption

*“Then the Sanctuary of God in Heaven opened,
and the Ark of the Covenant could be seen
inside It ... Now a great sign appeared in
Heaven - a Woman, adorned with the sun,
standing on the moon, and with the twelve
stars on Her Head for a crown.”*

Revelation 12

PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17:12 - 15:4)

Our Father, who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.

☼ Holy Mother I see You lying in peaceful sleep in Your little home. You have lived as the Sorrowful Mother from the first moment of Your Conception, seeing in the Light of the Divine Will all the sins of Your disobedient children, and, how these sins have crucified the Heart of Your Beloved Jesus. What His Heart feels and suffers Your Heart feels and suffers. The first ‘Eve’ gave birth to ‘death’ and incurred the curse of painful childbirth for herself and all her children. You, the second but True ‘Eve’ gave birth to ‘Life’ – Divine Life and therefore lifted this curse from all Your children.

☼ However, because You gave birth to this Life through the ‘labours’ of Your Sorrowful Heart, You never knew the physical sufferings of natural childbirth. What You were spared therein, You nonetheless embraced elsewhere in a more profound way – the Sufferings of the Man God – and of giving birth to Him in all souls through the contractions of His Sorrows in your Immaculate Heart. O Mother, the Eternal Father, Jesus and the Holy Spirit love You so much for what Your Heart endured for Their sake, and so You were given the Gift of Assumption to Their Breast – Your Pure Body and Heart, Mind and Soul were lifted by the angels to the Sweetness of Their Embrace. **Hail Mary**

☼ Most Beautiful Mother, I see You rising above the earth and being carried in Ecstasy of Love to the Ones Who have loved You for all Eternity. Your Heart being only for Them and Theirs for You, this is the Embrace of embraces of all Your Immaculate Life. No more to experience the wound of separation. No more to know the loneliness of being earthbound, but, now the ‘lightness’ of Your being can be celebrated by all and You ascend to the Love of Your Life and as You have always been merged in Them, now it is simply the fulfilment of all these ‘fusions’ of your soul with Theirs. Mother I want to be there too, with You in these fusions of Love. Your Heart, ever so generous wants to take all Your children with You to Heaven. **Hail Mary**

☼ This longing however cannot spoil the wonderment of this Mystery of Your Immaculate Being merging with the Pure

Essence of God. None other than You could ascend to such heights. I praise Your Will which ever belonged to the Eternal Love and ask that You favour me and all with all the dispositions of Your Will that we too may be like our Mother. **Hail Mary**

☼ Everything is Light in You Mother – all Light and all radiance of that Light – all wonder in the effects of that Light. I immerse myself in the Light, which possesses you and I bring with me all humanity to be immersed in that Light. Then the darkness of the human will, will be destroyed. Only in You, Mother are all heresies annihilated. Your Seed will overrun the seed of Satan and all the deceptions he has sown. I run with you and sow Your Seed everywhere. I ask the *divine lives* that You created in Jesus to come with me and help me to sow the Seed of His Truth in every mind and ask that this Truth cry out in their hearts, “*Come back to Me with all your heart, fasting, weeping and mourning – My Love for You is an everlasting Love – all you have to do is believe and trust in Me*”. **Hail Mary**

☼ I see You Mother as You ascend all surrounded by the *divine lives* You created through the swords that pierced Your most Sorrowful Heart and through that desolation which You agreed to suffer in the divine deprivations. How beautiful they are escorting You to the Empyrean Throne for Your Coronation. What celebration in Heaven on this Day – the Day when the Kingdom of Creation in You arises triumphant in Heaven and makes the Father, Son and Holy Spirit so happy to see that the Victory has been won. O how They honour the glorified Church in You Mother. What Mysteries are enclosed in Your Glorified Body One with that of Your Son. In You I love all Creation, that has received from You Its Life – and I am there too with the divine version of my life, dressed all beautiful for my wedding. Thankyou holy Mother for all you have done for me and for all. **Hail Mary**

☼ Mother I feel in me this terrible pain that so many of my brothers and sisters do not want to know You, much less celebrate Your victorious ascent to the Father’s Breast. What is this Sorrow

that is in me all the time, even when I see with my soul's eye the great wonders of God and the beautiful mysteries of Life and Love that He shares with You? I feel the aloneness of my Mother, Who wants all Her children around Her, with no one missing. I want to bring all Your children to You Mother – so I take the immense Love of the Divine Will and I inscribe on every heart in letters of gold the invitation to come to the Wedding Feast of the Lamb of God with His Bride. I will make the invitation as beautiful as the Ardours of the Divine Will can make it, so no one will refuse. I will tell each soul the beauties and wonders that await it, if it should respond. I will tell each soul that all its sins are forgiven in the Mercy of God and that no one should lack trust in His Divine Mercy. I will tell each and everyone that the Mother's Tears will procure for them entry into the kingdom, if only they will acknowledge with faith the Love of God for them. In this Mother, I give You all Creation as Your Gift for this wondrous Feast of Divine Love. In You the Will of God has triumphed! Alleluia! **Hail Mary**

☀ Mother I want to surround You with all the Love Songs of Jesus, His Holy Spirit and the Father – all the adoring hymns of the angels and every beautiful melody ever composed – every beautiful love poem ever written and every beautiful work of art ever created. Above all I crown You with all the beauties of Artistry of the Divine Will, I give You on this Day of Your Assumption – everything the Creative Power of God can think of, I too give to You, holy Mother. I crown You with the crown of Love of the Eternal Father, of Jesus, of the Holy Spirit, of Abba and of Luisa. You are deserving of this and so much more. I bring before You, Abba Joseph, Luisa, Saint Annibale and every saint that has followed You in their Love for the Trinity. I place their beautiful souls in tribute before You – for their sanctity all flowed from Your Fiat. I bring You all the beauties of Creation that has longed for this Day – the galaxies of stars and planets, suns and moons, the flowers and trees and all the beautiful protistae – every blade of grass and every precious stone, every drop of water in all the sea, in running streams and waterfalls – all

that is beautiful to the eye and melodious to the ear I bring to you, my Mother to delight You. Whatever my poor memory has failed to offer, I ask the Divine Will make up for my poverty of creativity – so that nothing will be lacking for Your happiness.

Hail Mary

☼ Oh Mother, it seems to me that the Food of Heaven is the Divine Will and so I bring to You this Food, which is the one You love the most, and upon which You lived all Your Life on earth. May all the surprising feasts of the Divine Will feed You now for all Eternity and may each Mansion of which You are Queen be for You a beautiful resting place from all Your labours as Mother of each soul and Mother of the Church. How long, how arduously You have laboured that each one of us reach our heavenly home. Now Mother, You are deserving of rest. **Hail**

Mary

☼ Mother, together with our Father's Will, I call upon the angels to make You a heavenly dress for this wonderful feast. It must be woven of all the words of Love that the Trinity ever spoke to You – so that as You walk through Heaven the rustling of Your skirt in its folds will echo these words of Love of the Divine Spouses. How these words have been treasured in Your Heart for all ages of time and now I pray they fill Your Heart with the deepest Joy for all eternity. I pray these words of Love resound in my own heart and in every heart so that each will know how much they are loved by the most Blessed Trinity. **Hail**

Mary

☼ There is no one as beautiful as the Bride of the Father, Son and Holy Spirit. May all brides learn from You, Mother, how to love their spouses with the most tender and faithful love. The world needs such love now more than ever. May Your protective Mantle of Love shelter all life and teach women how to be true women in the Light of the Truth for which they were created. Please teach us again and again your lessons of Love, dearest Mother. Hear my prayer for myself and for all. And precious Mother of all Life, with Your Sceptre bless all babies in the womb

and crown them with the crown of Your own Sanctity, since those who may be aborted will never come to know the Breath of their Father, the Life of their soul, unless You intervene to procure the Baptism of the Divine Will for them. Fiat! **Hail Mary**

And in all the Acts of the Divine Will found in this Mystery we pray,

🌸 *Glory be to the Father, Son and the Holy Spirit ...*

🌸 *Oh, my Jesus forgive us our sins ...*

🌸 *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us!*

PRAYER AFTER THE MYSTERY

Supreme Majesties! As Your little children we come into Your adorable Hearts, to offer You all the Acts of the Divine Will found in this Mystery, and in them create in Your Divine Womb the divine lives You so desire. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. Amen.

*Come ye blessed of My Father
and possess the Kingdom prepared for you
since the foundation of the world!*

The Feast of the Assumption is the True Feast of the Divine Will.

August 15, 1925

“After this, I began to think about the feast of my Celestial Mama Assumed into Heaven; and my sweet Jesus, with a tender and moving tone, added: *“My daughter, the true name of this Feast should be Feast of the Divine Will. It was the human will that closed Heaven, broke the bonds with its Creator, made miseries and sorrow enter the field, and put an end to the feast that the creature was to enjoy in Heaven. Now, this creature, Queen of all, by doing the Will of the Eternal One always and in everything – even more, it can be said that Her life was Divine Will alone – opened the Heavens, bound Herself to the Eternal One, and restored in Heaven the feasts with the creature. Every act She did in the Supreme Will was a feast that She started in Heaven, it was suns that She formed to adorn this feast, it was melodies that She sent to delight the Celestial Jerusalem.*

So, the true cause of this feast is the Eternal Will operating and fulfilled in my Celestial Mama. It operated such prodigies in Her as to astonish Heaven and earth, chain the Eternal One with indissoluble bonds of love, and capture the Word even into Her womb. The very Angels, enraptured, repeated among themselves: ‘From where comes so much glory, so much honor, such greatness and prodigies never before seen, in this excelling Creature? Yet, it is from the exile that She is coming.’ Astonished, they recognized the Will of their Creator as Life operating in Her; and, trembling, they said: ‘Holy, Holy, Holy - honor and glory to the Will of Our Sovereign Lord. And glory, and trice Holy - She who let this Supreme Will operate.’ So, it is my Will that, more than anything, was and is celebrated on the day of the Assumption into

Heaven of my Most Holy Mother. It was my Will alone that made Her ascend so high as to distinguish Her among all. Everything else would have been as nothing, had She not possessed the prodigy of my Will. It was my Will that gave Her Divine Fecundity and made Her the Mother of the Word.

It was my Will that made Her see and embrace all creatures together, becoming the Mother of all, and loving all with a love of Divine Maternity. And making Her the Queen of all, It made Her rule and dominate. On that day, my Will received the first honors, the glory and the abundant fruit of Its work in Creation, and It began Its feast, which It never interrupts, for the glorification of Its operating in my beloved Mother. And even though Heaven was opened by Me, and many Saints were already in possession of the Celestial Fatherland when the Celestial Queen was assumed into Heaven, however, She Herself was the primary cause, having fulfilled the Supreme Will in everything, and therefore we waited for She who had honored It so much and contained the true prodigy of the Most Holy Will, to make the first feast for the Supreme Volition. Oh! how the whole of Heaven magnified, blessed and praised the Eternal Will, upon seeing this sublime Queen enter the Empyrean, in the midst of the Celestial Court, all circumfused by the Eternal Sun of the Supreme Volition! They saw Her all studded with the power of the Supreme Fiat; there had been not even a heartbeat in Her which did not have this Fiat impressed on it. And, astonished, they looked at Her and said to Her: 'Ascend, ascend higher. It is right that She who so much honored the Supreme Fiat, and through whom we find ourselves in the Celestial Fatherland, have the highest throne and be our Queen.' And the greatest honor that my Mama received, was to see the Divine Will glorified."

The Coronation of Mary

“One of the seven angels that had the seven bowls full of the seven last plagues came to speak to me, and said, ‘Come here and I will show you the Bride that the Lamb has married.’ In the Spirit, he took me to the top of an enormous high mountain and showed me Jerusalem, the Holy City, coming down from God out of Heaven. It had all the radiant Glory of God and glittered like some precious jewel of crystal-clear diamond. The walls of It were of a great height and had twelve gates. At each of the twelve gates there was an angel, and over the gates were written the names of the twelve tribes of Israel. On the east there were three gates, on the north three gates, on the south three gates, and on the west three gates. The City walls stood on twelve foundation stones, each one of which bore the name of one of the twelve apostles of the Lamb.

Then the angel showed me the River of Life, (The Divine Will) rising from the Throne of God and of the Lamb and flowing crystal-clear down the middle of the City street. On either side of the River were the trees of Life, which bear twelve crops of fruit in a year, one in each month, and the leaves of which are the cure for the pagans. The ban will be lifted. The Throne of God and of the Lamb will be in Its place in the City. His servants will worship Him. They will see Him face to face and His Name will be written on their foreheads. It will never be night again and they will not need lamplight or sunlight, because the Lord God will be shining on them. They will reign forever and ever.

(Revelation 21:9 – 14, 22:1-5)

PRAYER BEFORE THE MYSTERY

Oh, Divine Will of the Eternal Love, I immerse myself in You as You live this Mystery. I bring with me the entire order of Creation to participate in and glorify You in these Acts of Love *that not one is lost* but all may make their home in You as You have made Your home in us. Amen. (John 17:12 - 15:4)

Our Father, who art in Heaven, hallowed be Thy name. Thy Kingdom come! Thy Will be done on earth as it is in Heaven. Give us this day our daily Bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.

O Divine Will, my Life, my Sanctity, my Power, my Truth, my Love, my All, I immerse myself all in You as You array Heaven for the Coronation of our Mother and our Queen. I want to be in Your Mind, Heart, Will, Hands as You embellish all the Mansions of Heaven for the great celebration. I want to be with You as You embellish the Mansion of the Queen – that Mansion which is Your Heart, Your Breath, Your Love – the Fullness of all the Ardours of Your Divine Will, which You prepared for Her for all Eternity. Yes Father, I want to be very close to the skirts of my Mother, holding Her hand, escorting Her to the Throne Room. I

want also to go before Her casting rose petals at Her feet and with each one tell Her how much I love Her. I want to dress everything in Her colours and make everything joyful for Her coming. I want to surround Her with all the suns of Her Acts done in the Divine Will impressed with my 'I love You, I thank You, I adore You and I praise You for all Your Maternal Love for us poor sinners who crucified You Beloved Son.' **Hail Mary**

Mother, hear me with all the voices of the Divine Will singing to you the sweetest Love Songs. I pray my voice will be there in the exultant chorus and that you may hear It with Your maternal ears, singing the melodies I have longed to compose for You always. You know in the labours of the penitent on earth, there is little time for the things of Heaven, because we are creating Heaven through the labours of love here. Yet our hearts are always wanting to be celebrating with You, Mother, and with all the '*divine lives*' You created through Your own Labours of Love. Oh Yes, Mother, I call on these '*divine lives*' now to present to You all their songs and symphonies of Love, that Your Coronation will be lacking in nothing that the Divine Will wants for You. Fiat! **Hail Mary**

Mother, for every time each soul and numbers of souls have sang the '*Exultet*', the '*Magnificat*', the '*Benedictus*', the '*Sanctus*', the '*Te Deum*' and every other song of celebration of the Glories of the Divine Will, the Glories of the Incarnation, the Glories of the Eternal Mother and Queen of the Divine Will, I want now to create infinite numbers of '*divine lives*' to sing these songs and more to You and in You; then the Blessed Trinity will receive the greatest Glory possible through the Immaculate Heart of Their Queen. No praise of You Mother is ever given without Your Heart returning It to Its Source. May You hear eternally Mother, my praises of You, Who gave us our Life, Jesus. **Hail Mary**

Holy Mother, you reject nothing given in Love for You. How little praise and Love has been given to You on earth. In reparation for all that has not been given especially by Your priest-sons, I now give You all that the Divine Will has desired to be given. All the Masses, Rosaries, prayers and penances of

reparation that You have desired to be prayed I now pray in the Divine Will. I call every angel, every saint and every person of good will to pray with me, that nothing will be wanting of what You, in the Divine Will of Your Immaculate Heart, have desired. Fiat! **Hail Mary**

With the Love of the Seraphim, I praise Thee! With the Perfections of the Cherubim, I praise Thee! With the Humility of the Thrones, I praise Thee! With the Authority of the Dominions, I praise Thee! With the Valour of the Powers, I praise Thee! With the Perseverance of the Virtues, I praise Thee! With the Peace of the Principalities, I praise Thee! With the vigilance of the Guardian Angels, I praise Thee! With the Archangels, Saint Michael, Saint Raphael, Saint Gabriel, Saint Uriel, Saint Jehudiel, Saint Sealtiel and Saint Barachiel, I praise Thee. And, Mother for this Feast, I want to create many more Angels than have already been created to praise Thee. If You will obtain permission for me, your child, I want to create a Choir that will be dedicated to praising the Sorrows of Thy Immaculate Heart and another Choir dedicated to praising the Solitude of Thy Interior Passion and another dedicated to praising the Silence of the Eternal Mother and all that is hidden in that Silence. Fiat to all Thy Glories O Holy Mother of God! **Hail Mary**

Mother, what Joy to have you speak to my heart. You are invisible but You are there. My Faith and the ears of my soul hear You and Your words are full of Love – such Divine Love that my heart knows Your words are true. And I believe You will do even more – for a mother’s love devises more and more ways to delight her child, does she not. And you are the Mother of all mothers. Please on this Day of Your Coronation I fuse myself into all Your reparations for all mothers who have failed in their duties of Love towards their children, especially those who have aborted their children, failed to baptize them or killed the Faith in their child’s soul. Oh Mother, help us! **Hail Mary**

Holy Mother may You say to all souls, *Today, my child, you are very near to me. You see, there are very few, even those who write about me, who come to be with me in the Divine Will in each of*

*these Mysteries, living them with the Ardours of the Divine Will. Very few of my children understand that in the Eternal Now, they can be with Me and participate fully in these realms of Glory. You have understood this and how it pleases me to have you with me. All your brothers and sisters in Heaven and all the angelic realms too are pleased. And what of those angel choirs you have just created. They look upon you as their 'mother'. True without Me and Jesus - without the Love of the Eternal Father and His Spirit you could not create. But you have understood Jesus words, 'the one who lives in the Will of My Father, that one is my mother, my sister, my brother ...' Yes my child in His Will you can do all things – everything is possible to God in His Will. Consider this always and go on creating, redeeming, sanctifying and glorifying in His Will. This is Our Delight! Fiat! **Hail Mary***

*“Arise, shine out, for Your Light has come, the Glory of Yahweh is rising on You, though night still covers the earth and darkness the peoples. Above You, Yahweh now arises and above You His Glory appears. The nations come to Your Light (the Divine Will) and kings to Your dawning brightness. Lift up Your eyes and look round: all are assembling and coming towards You – Your sons from far away and Your daughters being tenderly carried. At this sight You will grow radiant – Your Heart throbbing and full – since the riches of the Sea will flow to You – the wealth of the Nations come to You.” (Isaiah 60:1-5) This prophecy brings joy to my heart Mother, because it is for Your Joy it is written and Your Glories. I pray in every word of this prophecy a Divine Will “I love You” for my Mother. **Hail Mary***

“Your gates will lie open continually – shut neither by day nor by night, for men to bring You the wealth of the nations with their kings leading them; for the nation and kingdom that refuses to serve You shall perish - such nations shall be utterly ruined. The Glory of Lebanon will come to You, with cypress, plane and box, to adorn the site of My Sanctuary, to glorify the resting place of My feet. The sons of Your oppressors will come to You and bowing at Your feet shall fall all who despise You. They will call You, 'City of Yahweh', “Zion of the Holy One of Israel’. Though

You have been abandoned, and hated and shunned, I will make You an Eternal Pride – a Joy forever and ever.” (Isaiah 60:11-15) In these words of prophecy also mother I place my “*I love You*” and I take every word and plant it in the hearts of all, especially those who love you most and those who do not know you – that they will come to know their adorable Mother and Queen of the Divine Will. **Hail Mary**

And in all the Acts of the Divine Will in this Mystery we pray,

✿ *Glory be to the Father, Son and the Holy Spirit as it was in the beginning, is now and ever shall be, world without end. Amen. Fiat!*

✿ *Oh, my Jesus forgive us our sins. Save us from the fire of Hell and lead all souls to Heaven especially those who have most need of Thy Mercy.*

✿ *Saint Joseph! Virgin Father of the Divine Will, generate His Life in us!*

Supreme Majesties! As Your little children we come into Your adorable Hearts, to offer You all the Acts of the Divine Will found in this Mystery, and in them create in Your Divine Womb the divine lives You so desire. With this offering we implore Mercy, Salvation and Sanctification for every creature, the quick and complete Triumph of the Divine Will on earth, and Its quick and complete triumph in us. Amen. Fiat!

The Queen of Heaven in the Book of Heaven

V 34: February 10, 1937

LUISA: I felt all immersed in the Divine Volition, it seemed to me that Heavens and earth, they long, they pray that His Kingdom comes upon the earth, so that one be the Will of everyone and He reign there as in Heaven so in earth, to this is united the Queen of Heaven, that with her ardent sighs, she moved, united everything to herself - Angels, Saints and all the Creation, in order to ask with her same sighs and with the Divine Will itself that She possesses, that Fiat that descends in hearts and forms there His Life. But while I thought this my amiable Jesus,

making Himself all love sighed strongly, (His) heart beat so much, as if it might want to burst and He said to me:

Daughter of My Volition, listen to Me, My Love is about to submerge Me, I cannot contain it anymore! At whatever cost, although it might have to overwhelm Heaven and earth, I want that My Will comes to reign upon the earth. To this is united My Celestial Mama, whom without ever ceasing says to Me, repeats to Me: 'Son do it soon, do not delay anymore, use your stratagems of Love! Do it as that powerful God that You are, make that Your Volition invests everyone and with His Power and Majesty, united to a Love that no one can resist, take possession of everyone and reign there as in Heaven so in earth.'

And she says this to Me with such ardent sighs, with fiery heartbeats, with her stratagems of love of Mother, that I cannot resist, even to add on to Me:

'My Son, Son of my Heart, you have made me Queen and Mother and my people and my children where are they? If I were capable of unhappiness I would be the most unhappy Queen and Mother, because I possess my Kingdom and do not have my people who live with the same Will of their Queen, and if I don't have my children to whom I can entrust the great inheritance of their Mother, where will I find the joy, the happiness of My Maternity? Therefore make that the Divine Fiat reigns and then your Mama will be happy, and she will have my people and children that will live together with me, with the same Will of the their Mother.'

Do you believe that to this speech of My Mother that she makes resound continuously to the ear and that sweetly invests My Heart, that are arrows and wounds of continuous love, I can remain indifferent? I cannot and I don't even want to. More so that She has never denied Me anything, hence there lacks the strength to deny myself to Her. My Divine Heart presses Me to content her. Unite yourself with us and long and pray that My Will be known and comes to reign upon the earth, and in order to more greatly confirm you to this, I want to make you hear My sweet Mama."

In this while I felt her near, that hiding me under her azure mantle and taking me up in her maternal womb, with a love that I don't know how to say, she said to me:

“Daughter of my Maternal Heart, the Kingdom of the Divine Will will be my Kingdom, the Sacrosanct Trinity has entrusted it to me, as He entrusted the Eternal Word to me when he descended from Heaven in earth, thus He entrusted to me His and my Kingdom, therefore my sighs are ardent, my prayers incessant, I don't do other than assault the Most Holy Trinity with my love, with the rights of Queen and of Mother that he gave me, so that that which He entrusted to me

comes to the light, forms His Life, so that my Kingdom triumphs upon the face of the earth.

You must know that my desire is so much that it burns me, that I feel as if I might not have glory, while I have so much of it that Heavens and earth are filled, if I don't see it fully formed, the Kingdom of the Divine Will in the midst of My children, because, each one of these children who will live in it, will give me so much glory, as to double my glory that I possess.

Therefore, seeing myself deprived, I feel as if I might not have (the) glory of Queen and (the) love of Mother from my children, therefore in my Heart I always call and go repeating,

‘My children, my children, come to your Mama!’

Love me as Mother as I love you as children.

*If you won't live with that same Will that I lived,
you cannot give me the love of true children, nor can it be
known where my love arrives for you.'*

You must know that so much is my love and my ardent anxieties that I want that this Kingdom exists upon the earth, that I descend from Heaven, turn through souls in order to see who remains more disposed to live of Divine Volition, I do for them (as a) spy, and when I see them disposed I enter in their hearts and I form my Life in them, as preparation, honor and decorum of that Fiat that will take possession and will form His Life in them.

Therefore, I will be inseparable from them, I will put my Life, my love, my virtues, my sorrows, at their disposition, as (a) wall of insurmountable fortitude, so that they can find in their Mother that which is needed in order to live in this Kingdom so holy.

And then my feast will be complete, my love will rest in my children, my Maternity will find one who loves me as child, and I will give surprising graces and I will put all Heaven and earth in feast. I will do as (a) Queen lavishing unheard of graces.

Therefore, my daughter, you will remain united with your Mama, so that you pray and yearn with me the Kingdom of the Divine Will."

*Fiat Mihi Secundum
Verbum Tuum*
