A Little Explanation of this Life

A Little Background

Luisa Piccarretta, born on the 23rd April, 1865 and transited to Heaven 4th March, 1947, was known in her home town of Corato, Italy as "*Luisa the Saint*" and called by Saint Pio, "*the angel of Corato*". Saint Pio recommended souls go to her and was responsible for initiating the first prayer group of souls dedicated to her doctrine of life lived in the Divine Will, in San Giovanni Rotondo. This doctrine was revealed to her in 36 volumes called "*The Book of Heaven*". She lived the last 65 years of her life entirely on the Holy Eucharist, without food or drink. Jesus said to Luisa, "*Have you seen what living in My Will is? It is to disappear. It is to enter into the ambience of Eternity. It is to penetrate into the Omnipotence of the Eternal One, into the Uncreated Mind. It is to take part in all and in each Divine Act inasmuch as it is possible to a creature, and to enjoy also being on earth with all the Divine Qualities. It is to hate evil in the Divine way. It is expanding oneself to all without exhausting oneself,*

because the Will that animates this creature is Divine. It is the Sanctity not yet known, which I will make known, which will set in place the last ornament, the most beautiful and most brilliant of all the other sanctities. And it will be the crown and completion of all the other sanctities.”

Enter the Door of My Humanity: *“Now, if you wish to retrace the paths of the Eternal Will, enter the door of My Humanity. There you will find My Divinity, and the Divine Will will make present to you, as in Act, all that I did, do and will do, as much in Creation as in Redemption and Sanctification. And you will have the contentment of being able to kiss those Acts and to put your little act of love, adoration and recognition on each one. There you will find all My Acts, all in Act of giving themselves to you. You will love them and will take the Gifts of your Celestial Father. He is unable to bestow on you greater gifts than these of the fruits and effects of His Volition; but, you will take them to the extent you co-operate and live with your will absorbed in Mine.”* V17: 8 March, 1925

One Life alone with Jesus

“My daughter, the Light of My Will transforms Itself together with your will and forms there One Life alone: The Light becomes Life; and the Heat, which the Light contains, empties and consumes all that can impede identification with My Life and make of them One alone.” V17: 15 March, 1925

The Kiss of the Divine Volition

“My daughter! Come into the Immensity of My Volition. All of Heaven and My Creation anxiously await the kiss of the wayfarer who lives in the same Volition in which they find their complete Glory, total happiness and perfect beauty. They seek to exchange Their Kiss with this soul to share the Glory, Happiness and Beauty They possess, so that another creature may be added to their number and I will be given complete Glory, as much as the creature is capable of giving; and they will see on earth the Love with which I created her, because there exists on earth a soul that lives and works in the Divine Will. Heaven, knowing that nothing

glorifies Me as much as a soul that lives in My Will, yearns that My Volition live in souls on earth. Thus, each act that the creature does in My Will is a Kiss given to and received from Him Who created it and from all the Blessed. Do you know what this Kiss is? It is the transformation of the soul with his Creator. It is the possession of God in the soul and the soul in God. It is the growth of the Divine Life in the soul. It is the harmony of all Heaven and the right of Supremacy over all created things.

V 17: April 23, 1925

Divine Will surrounds and encloses perfectly who lives in It and forms for him/her a garment of Light, formed from his acts, each of which encloses Jesus, multiplied as many times more than the sacramental hosts. V 12: 9 January, 1920

Continuing in my usual state, it seemed that my always amiable Jesus came forth from my interior, and I, looking, saw Him all bathed in tears. Even His garments and His most holy hands were beaded with tears. What sorrow! I remained

shaken, and Jesus said to me: "My daughter, what destruction the world will experience! The scourges will flow more painfully than before, so much so that I do nothing other than cry for their sad lot!"

Later He added: "My daughter, My Will is wheel, and whoever enters into It remains so circumvented inside as to not find the opening to leave. Moreover, everything that she does remains fixed to the Eternal Point and opens in the Wheel of Eternity. But do you know what the garments of the soul who lives in My Volition are made of? They are not made of gold but of the purest Light. Moreover, this garment of Light will be as a mirror in order to show to all of Heaven how many acts she has done in my Volition. This is because she enclosed all of me in every act that she did in my Will.

Further, this garment will be adorned by many mirrors; and one will see all of Me in every mirror. Thus, wherever it is looked at - from behind, from the front, from the right, or from the left - they will see Me multiplied as many times for as many acts

as she did in my Volition. I could not give a more beautiful garment to these souls. It will be the emblem of only those souls who live in my Volition.”

I was left a little confused in hearing this, and He added: “How do you doubt? Moreover, doesn’t the same thing happen in the Sacramental Hosts? If there are a thousand Hosts, a thousand times I am there, and to a thousand souls I give Myself in communion, complete and entire. If there are one hundred Hosts, there are one hundred Jesuses, and I can give Myself in communion to only a hundred.

Thus, in every act done in My Will, the soul encloses Me inside, and, I remain sealed within the will of the soul. Consequently, these acts done in My Volition are Eternal Communion. They are not subject to the species being consumed as the Sacramental Hosts are, where My Sacramental Life ends by consuming the species. Rather, in the Hosts of My Will there does not enter either flour or other material. The food, the material of these Hosts of My Will, is My own Eternal Will united to

the will of the soul, which is Eternal with Me, and these two wills are not subject to being consumed.

Therefore, what marvel it is that all My Person will be seen multiplied as many times for as many acts as she did in My Will - even more, because I have remained sealed in her, and, she has remained sealed as many times in Me! Thus, even the soul will be multiplied as many times in Me for however many acts she has done in My Volition, and this is enough to remove any doubt from you.”

“I alone am your help and you, from within My Volition, will help others.” v 12: 10/12/1920

“Daughter of My Love, aren't you convinced that I see the world through you; and, since I dwell in you, you are constrained to feel what the world sends Me – harshness, gloom, sins, the fury of My Justice etc. Accordingly, instead of thinking about My privations you must think of defending Me from the evils that creatures send Me and you must think of mitigating the fury of My Justice. Thus, I will remain defended by you and creatures will remain less chastised. It

is from within you that I divide with you the fate of the world. It is your humanity that makes reparation to Me, as Mine did to My Divinity Now My Humanity is glorified and I need a humanity that is able to hurt, suffer, share pains together with Me, love souls together with Me and give her life to save them. I have chosen you. Aren't you pleased?"

V 12: Jan 25, 1919

Daughter from within your heart I am deciding the fate of the world. Your heart is the Centre of My Throne on earth and from this Centre I see the world – the folly of creatures, the precipice that they are preparing ... and I am set aside as if I were nothing to them ... I want you together with Me as my consolation and companion, to cry, to pray and to suffer ...” V 12: May 4, 1919

“My daughter, I repeat to you, ‘Do not look at the earth. We let the creatures be ... Live in My Will and be patient.” V12: 4, 26: 1921

My daughter, courage! I will come, I will come! Do not occupy yourself with anything other than My Volition.” V12: April 23, 1921

“My daughter the true Life of the soul who lives in My Volition is nothing other than the formation of her life in Mine. Giving My own form to all that she does. I did nothing other than put into flight in My Volition all the Acts that I did – be it internal or external. I put into flight every thought of My Mind, which flew over every thought of the creature – all of which existed in My Volition. My flying over them made almost a crown of each human intelligence and took to the Majesty of the Father the homage, the adoration, the glory, the love and the reparation of every human thought. And I did the same with My Glance, My Word, My movement and My steps. Now, the soul living in the Divine Volition must give the form of My Mind to hers, the form of My glance, of My Word, of My movement to hers. Hence, doing this she loses her form and acquires Mine. She does nothing other than give continuous deaths to

the human existence and she continues Life in the Divine Will. Thus the soul will be able to complete the Life of My Will in her.” v12: 1/5/121

PRAYER TO LUISA

Dear Luisa, Jesus called you the “Little daughter of the Divine Will.” Make me also a “little child of the Divine Will. You, for whom Jesus worked the most amazing miracle of transforming you into Himself, be a mother to me and form in me the Life of Jesus wherein the Will of our Father is supreme and Rules with Its Generative Power of Divine Love transforming all creatures who have the will to receive It. Fiat!

The Primacy of Prayer in the Divine Will

“When the soul prays in the Divine Will, all things and all created beings stand at attention, become suspended and silent – and while they are all intent on admiring the Act done in the Divine Will, all together follow the prayer. Its power calls and imposes itself on everything, in such a way that all do the same thing. If all other prayers were united

together in order to be compared with a simple prayer done in the Divine Will, the latter would surpass them all, because the latter possesses a Divine Will, an immense power, an incalculable value. Jesus Himself feels invested by such a prayer, and as He sees that it is His Will that prays, He feels Its power which identifies Him with that very prayer.

So, if blessings are not obtained by means of the prayer done in His Will, which is universal and divine prayer – if divine justice is not placated and scourges continue to pour upon the earth, it means that that is the Will of God, and that instead of letting those blessings descend in the way besought, God lets the effects of the prayer descend into souls as He pleases. And if God does not allow one to obtain much with prayer in the Divine Will much less will be obtained with other prayer, which contain neither divine power nor universal strength.”

Jesus I love You in Your own Will
