

"If doing My Will has been the greatest grace for the Saints in whom it entered (only) with its reflections, what will it be like for one to not only receive its reflections, but to enter into it and enjoy its complete fullness." (Vol. 16, August 5, 1923)

Luisa asked Jesus, "Isn't it rather the mystical Life which You form in the hearts which process your Grace?" and Jesus: "No no, it is not mystical Life, as for those who possess my Grace, but do not live with their acts identified within My Volition. They do not have the sufficient material to form the accidents in order to imprison Me." (However living in His Will we do have sufficient material.) (Vol. 16, Nov. 5, 1923).

What will be has not yet been revealed... ( 1st John 3:1-2).

## HOW DO WE GET THIS DIVINE GIFT?

- 1) **Realizing our own Nothingness.**
- 2) **Learning (knowledge) about this greatest of all gifts.** Jesus tells Luisa, "all my Saints have lived in the shadow of My Will or in the reflection of its light. Some submitted to its power while others to the order of its commands, as there is no sanctity without My Will. Nevertheless, of My Will they possessed the little they have known and no more, because only when a good is known does one then long for it and arrive at possessing it." (Vol. 19, July 1, 1926).
- 3) **Desiring with all our heart to live with Only One Will.** God's Divine Will. When Jesus knows we truly want to live with His Divine Will, He will do the work for us. "Seek first the Kingdom of God and His righteousness and all these things will be given to you besides. (Matt. 6:33 and Luke 12).

"My daughter, the easiest means in order to hasten the coming of My Will upon earth is knowledges about it." (Vol. 20, January 1, 1927).

## LIVING IN THE DIVINE WILL WE BECOME ONE IN HIM

Jesus said, "So that they (meaning us) may be one, as your Father and I are one. So that the world may believe that you sent me." (John 17:21) Saint Paul says that **in Jesus** we become the "very holiness of God." (11 Cor. 5:21).

"Do not be conformed to this world, but be transformed by the renewal of your mind, so that you might discern what is the Will of God, that which is good and pleasing and perfect." (Romans 12:2)

## COME STUDY WITH US

"I have much more to say to you, more than you can now bear. But when he, the Spirit of truth, comes, he will guide you into all the truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come." ( John 16:12-13)

# WHY IS LIVING IN GOD'S WILL SO UNIQUE?

Because God is returning to us the original grace given to Adam and Eve before they committed the original sin. God is returning to us His Kingdom on earth. For 2000 years we have the prayer Jesus taught us, the Our Father "Thy (God's) kingdom come on earth AS it is in heaven." **Now is the time!**

**God chose Luisa Piccarreta (1865 - 1947) to share this message about the Gift of His Divine Will to us.**

## WHO IS LUISA PICCARRETA?

Luisa (servant of God) is a mystic from Corrado, Italy. She was born and baptized on what is now called Divine Mercy Sunday. (The answer to St. Faustina's Prayer of Mercy). Although she had only a first grade education, for over 40 years, under obedience to her bishop, she wrote what Jesus and Mary taught her about this GIFT of HIS WILL. Her diary consists of 36 volumes plus letters and several books of prayers and meditations. For most of her life she lived in bed, lived only on the Eucharist, and suffered the wounds of Jesus.

Jesus tells Luisa "As I deposited in the Sovereign Queen of Heaven everything pertaining to the Kingdom of Redemption, so did I deposit in you (Luisa) what pertains to the Kingdom of My Supreme FIAT" (Volume 23, Jan. 27, 1928).

Jesus also tells Luisa that His usual way is to pick one person to whom He gives His gift - like St. Francis or St. Teresa - and that He has chosen her as the "Little Daughter of His Divine Will:"

He tells her there have been many good sanctities in His church, but this is not a movement. Rather this is about His Divine Will, which is the source from which all these sanctities have come. **And now He is giving us His Will.**

## FIAT VOLUNTAS TUA = YOUR WILL (GOD) BE DONE

Jesus taught Luisa that there have been three Fiats.

**Fiat of God the Father (Creation)  
Fiat of God the Son (Redemption)  
Fiat of the Holy Spirit (Sanctification)**

We are now living the third Fiat.

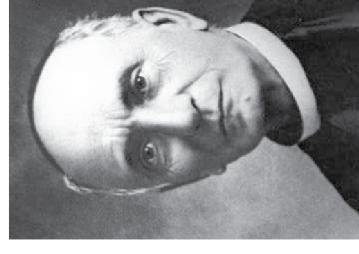

"When the Holy Spirit comes He will teach you All Truths:" (John 14:26). He tells her, "We have now entered the final era before the 2nd Coming." Our Immaculate Mother Mary and Jesus who only did the Will of the Father are the New Adam and Eve. His Kingdom is coming to reign again on Earth - The New Springtime...The Era of Peace - promised by Our Lady at Fatima, Portugal.

At night Jesus would take Luisa's soul out of her body, and her body would become like stone; only a priest blessing would bring her back. Thus, her bishop assigned a priest to go each morning to bless her and pray a Mass in her room. Jesus told Luisa that except for His own mother, no other person has ever had as much attention by a priest as she had.

One of these priests was St. Hannibal di Francia

He became one of her students, her friend, and the editor of her first 19 volumes of writing on which he placed the nihil obstat and the Archbishop placed the imprimatur. Today St. Hannibal's bigger than life statue (under the decision of two popes) stands inside Saint Peter's Cathedral in the Vatican.

## IS THIS APPROVED BY OUR HOLY CATHOLIC CHURCH?

Yes. Luisa's cause for sainthood is underway in Rome, and although her message is extremely unique, the theologians at the Vatican state that all her writings are in communion with the Catholic Church and its teachings. Moreover, it confirms the words of Pope St. John Paul II who spoke of a "New and Divine Holiness" for the Third Millennium of Christianity.

Pope Benedict the 16th said, "Jesus tells us that it is only in unity, conforming one's own will to the Divine Will, that the human beings attain their true greatness." He also spoke often and in his writings of the communion of wills. c.c.c. 521 states: "Christ enables us to live in Him all that He Himself lived, and He lives it in us."

## WHAT IS NEW ABOUT THIS NEW AND DIVINE HOLINESS?

The gift God is giving us at this time is the gift of LIVING IN GOD'S DIVINE WILL. He tells Luisa this is not at all like doing God's Will, as the Saints have done until now. And that it is the greatest gift He can give us. Moreover, He is now giving us the knowledge and the understanding of how God's Will operates in heaven, and how we can now live IN HIM WITHIN HIS DIVINITY here on earth. In His Divinity our acts and prayers are no longer limited to time and space - we live through Him, with Him, and in Him (Volume 16, Feb. 10, 1924).

"During this time I have always spoken to you of My Will and of the sublime and indescribable effects which this Will contains which I have not manifested to anyone until now. Go through as many books as you want and you will see that in none of them will you find what I have told you about My Will." (Vol.11, Sept. 12, 1913)
