

# *Rounds of the Angels*

# Rounds of Love in the Angelic Choirs

These Rounds of Love in the Angelic Choirs are prayed according to Jesus' revelations to the Servant of God, Luisa Piccarreta, and so will activate each one to operate that office on earth for the sake of saving and sanctifying souls and drawing them in to the Kingdom of the Divine Will. The angels will not act unless commanded by the souls who live in the Divine Will or as a command from the Divine Will Himself. So we, who have been given the Gift of operating with the Authority of the Divine Will, may command the angels to do all that the Divine Will reigning in us desires them to do. Do not leave idle this power you have been gifted with. Souls who have never been taught to pray or to invoke their guardian angels are awaiting your prayers, to rescue them from the various influences of demonic spirits in their lives. May our Father's Will be done on earth as it is in Heaven. Fiat!

## *The Angels Closest to God's Throne*

V 17: Oct 30, 1924

**“My daughter, do you want to know why the Angels are Angels – why they have kept themselves beautiful and pure, as they came out of my hands? Because they have always remained in that Primary Act in which they were created. Therefore, being in that Primary Act of their existence, they are in that single Act of My Will which, not knowing succession of acts, does not change, it neither decreases nor increases, and contains within Itself all possible imaginable goods.**

*And the Angels, keeping themselves in that single Act of My Will, which issued them to the light, maintain themselves immutable, beautiful and pure. They have lost nothing of their original existence, and all their happiness is in maintaining themselves, voluntarily, in that single Act of My Will. They find everything in the circuit of My Will; nor do they want, in order to be happy, anything other than what My Will administers to them.*

*But do you know why there are different choirs of angels, one superior to the other? There are some which are closer to My Throne - do you know why? Because, to some, My Will manifested one Act alone of My Will; to some, two; to some, three; to some, seven; and in each thing pertaining to the additional Act which My Will manifested, some were made superior to others, and were rendered more capable and worthy to be close to My Throne. So, the more My Will manifests Itself, and they keep themselves in It, the more they are raised, embellished, made happy and superior to others.*

*See, then, how everything is in My Will, and in their keeping themselves, without ever going out, in that same Will from which they came. And from their greater or lesser knowledge of My Supreme Will are the different choirs of angels constituted - their distinct beauties, their different offices, and the celestial hierarchy. If you knew what it means to know My Will more, to do one more act in It, to keep oneself and to act in that Will of Mine which one has known, by which the office, the beauty, the superiority of each creature are constituted – oh how much more would you appreciate the different knowledges I manifested to you about My Will!*

*One more knowledge about My Will raises the soul to such a sublime height, that the very Angels remain stupefied and enraptured, and they confess Me, incessantly: ‘Holy, Holy, Holy’.* *My Will manifests Itself and calls things from nothing, and forms beings. It manifests Itself and embellishes; It manifests Itself and raises the creature higher; It manifests Itself and expands more the Divine Life in the creature; It manifests Itself and forms in her new portents, never before known. So, from the many things*

***I have manifested to you about My Will, you can comprehend what I want to make of you and how I love you, and how your life must be a chain of continuous acts done in My Will.***

***If the creature, like the Angel, never went out of that Primary Act within which My Will issued her to the light - what order, what portents would not be seen on earth? Therefore, my daughter, never go out of your origin, in which My Will created you, and let your Primary Act be always My Will."***

## ***The Hierarchies of Sanctity formed by the Celestial Queen of the Divine Will***

V 35: August 9, 1937

My flight continues in the Divine Volition, and He waits for me with so much love that He takes me between His Arms of Light and says to me:

*"My daughter, I love you, I love you; and you, tell me that you love me in order to be able to lean/rest my great 'I love you' on your little 'I love You', and I, throwing it into the immensity of my Fiat, (will) make you loved by everyone and by everything, and you (will) love Me for everyone and for everything. I am the Immensity and I like to give and to receive My Immense Love from creatures (and) I give and receive, the harmonies, the manifold notes, the sweetnesses, the enchanting sounds and raptures that there are in My Love.*

*When My Will loves, the sky, the sun, all the creation, the angels, the saints, everyone loves together with Me, and they put themselves at attention to await the 'I love you' from (whom) their 'I love You' has been directed; and therefore on the wings of My Volition I send to everyone your 'I love You', so as to (re)pay them because everyone has loved you together with Me. If one loves, it is because one wants to be loved; not to be reciprocated in love is the hardest suffering that puts one in delirium; it is the most transfixing nail, that only the medicine, the balm of reciprocated love can remove."*

Whence I thought to myself: *“My God, who can ever exchange you for so much of your love? Ah, maybe the Queen of Heaven alone can give boast to this of having exchanged her Creator in love. And I? And I...?”* And I felt oppressed and my always amiable Jesus, making his brief little visit with me, all goodness said to me:

*“Daughter of My Will, do not fear; (for) one who lives in Him there is (the) highest accord in Love. Possessing His Life in the creature, He duplicates His Love: when He wants to love, He loves in Himself and loves inside of the soul, because He possesses the life of her. In My Volition Love is in highest accord; the joys, the felicity of Pure Love, are in full vigor. Our paternal goodness is so much for one who lives in Our Volition, that We number the breaths, the heartbeats, the thoughts, the words, the movements, in order to exchange them with Ours and to fill them all with Love; and in Our emphasis of Love We say to them: ‘She loves Us, and We must love her’; and while We love her We make such a show of gifts and graces as to make heaven and earth dumbfounded.*

*We did this with Our Queen! We showed off so much. But do you know what this means Our showing off? We look at Ourselves, and We want to give who We are and what We possess. Dissimilarity would put Us in pain, and the creature, seeing itself dissimilar from Us, would not trust Us as Our daughter and would lack the command of one who possesses the same goods, the same gifts.*

*This disparity would be an obstacle to forming only One Life and to loving Us with One Love alone; while the living in Our Divine Volition is just this - One Will alone, One Love alone - common goods; and all that could be missing from the creature We give of Our Own in order to supply everything for her and to be able to say: ‘Whatever We want, she wants; Our Love and hers is One alone, and as We love her she loves Us.’*

*My daughter, (if this were not so) the force would be lacking to elevate the creature to the level of Our likeness and to make her possess Our goods because she lives in Our Will. So very true (is this), that My Celestial Mother, since she lived, she possessed the*

*Life of My Divine Fiat. We love each other with One Love alone -  
We love souls with a twin Love.*

***And Our Love is so much for her that, as We hold the hierarchy of the angels in heaven, the diversity of the orders of the saints, with her being the Celestial Empress the heiress of the great inheritance of Our Will, when this Kingdom will be formed on earth, the great Lady will call her children to possess her inheritance, and We will give the great glory to them to have them form the new hierarchy, similar to the nine choirs of the angels; so that it will have the choir of the seraphim, of the cherubim, and so on, as it will also form the order of the saints (that) lived in her inheritance; and after that (having) fully formed them on earth, she will transport them to heaven, surrounding herself with the new hierarchy, regenerated in the Divine Fiat, in her own love lived in her inheritance.***

***This will be the conclusion of the Work of Creation, Our 'consummatum est', because We will have had the Kingdom of Our Volition in creatures, in virtue of the Celestial Heiress, who wanted to give (her) life for each in order to make Him reign. And oh, how We will remain glorified, felicitated, because the Sovereign Lady holds Her Hierarchy as We hold Ours; much more so Ours will be hers and hers Ours, because all that one does in Our Volition is inseparable. If you might know how much this Celestial Queen loves souls!***

*She, faithful copy of her Creator, looks in herself and finds His Seas of Love, of Grace, of Sanctity, of Beauty, of Light!*

*She looks at creatures, and wants to give all of herself with all her seas, so that they might possess the Mama with all her riches. To see the children poor, while the Mother is so rich, and only because they don't live in the inheritance of the Mother, is a sorrow.*

*She would like to see them in her seas of love, that they might love their Creator as she loves him, hidden in His Sanctity, adorned with His Beauty, full of His Grace; and not seeing them, if she had not been in the state of glory, where sufferings have no place, for*

*pure sorrow she would have died for each creature that did not live in the Divine Volition.*

**Therefore, she prays incessantly; she puts into prayer all her seas, in order to implore that the Divine Will be done as in heaven so on earth.**

*Her Love is so much that, in virtue of Our Volition, she bi-locates herself into each creature in order to prepare the interior of their souls, she places them side by side to her maternal Heart, she embraces them between her arms, in order to dispose them to receive the Life of the Supreme Fiat, and oh, how she prays in each heart (to) Our adorable Majesty, saying to Us: ‘Do it quickly: my Love can no longer contain itself; I want to see my children living together with me in that same Divine Will that forms all my glory, my riches, my great inheritance.*

*Entrust yourselves to me, and I will know how to defend so many children in as much as your own Will which is also mine.’*

*The love of this Celestial Queen and Mother it is unsurpassable, and only in heaven will they know how much she loves creatures and what she has done for them; and her most exuberant, magnanimous and greatest act is wanting that they might possess the Kingdom of My Volition as she possessed it herself; and oh, what this Celestial Lady would do in order to obtain the intent! You also, unite yourself with her and pray for a purpose so holy.”*

# ***The Distinct Offices of Souls as the Angels***

V 4: March 8, 1901

He told me: “My daughter, it was not My Works, nor My preaching, nor the very power of My miracles that made Me recognized with clarity as the God I am, but when I was put on the Cross and lifted up on It as though on My own throne – then was I recognized as God.

**So, the Cross alone revealed Me to the world and to the whole of hell for Who I really was. All were shaken and recognized their Creator. Therefore, it is the Cross that reveals God to the soul, and makes known whether the soul is truly of God.** It can be said that the Cross uncovers all the intimate parts of the soul and reveals to God and to men who she is.” Then He added:

**“Upon two crosses do I consume souls – one is of pain, the other is of love. And just as in Heaven all nine choirs of Angels love Me, though each one has its distinct office** – as for example, the special office of the Seraphim is Love and their choir is positioned more in the front in order to receive the reverberations of My Love; so much so, that My Love and theirs, darting through each other, correspond continuously – in the same way, I give to souls on earth their distinct offices: some I render martyrs of pain, and some of love, as both of them are skillful masters in sacrificing souls and in rendering them worthy of My satisfactions.”

## ***The Hierarchy of the Nine Choirs of the Children of the Kingdom distinguished by the Knowledges of the Divine Will they possess***

V 23: February 28, 1928

I was thinking of the Holy Divine Volition and a thousand thoughts crowded in my poor mind, they seemed as so many more strong lights that arose, that then they unified into the same Light of the Eternal Sun of that Fiat that doesn't know sunset; but who can say what I thought? I thought of the so many knowledges said to me by Jesus on the Divine Will and how every one of them brings a Divine Life in the soul, with the imprint of a rarity of beauty, of happiness,

**but distinct the one from the other, that puts in common with whom has the good to know it and to love it.**

So that I thought to myself, one knowledge more or less there will be great difference between one soul and the other. Whence I felt suffering in remembering my deceased Confessors, that (with) so much interest had had me write what blessed Jesus said to me on the Divine Will, I felt suffering for the Venerable P. of Francia who's so many sacrifices he had made to come from afar facing expenses for the publication and in the most beautiful (moment) as to go forward, Jesus brought him to Heaven, hence not knowing all this, these, that regard the Fiat they won't possess all the Lives and rarity of beauty and happiness that these knowledges contain; but while my mind lost itself in so many thoughts, that wanting to tell them all would be too long, my sweet Jesus extended his arms within my interior, and shedding light said to me:

**“My daughter, as I hold the Hierarchy of the Angels, with nine distinct choirs, so I will hold the Hierarchy of the Children of the Kingdom of My Divine Fiat. He will hold His nine choirs and they will be distinct the one from the other by the varieties of beauties, that they will have acquired with knowing some more and some less the knowledges that pertain to My Fiat.**

*Therefore, every knowledge more of My Divine Volition is a new creation that forms in creatures, of happiness and of inconceivable beauty, because it is a Divine life that races within, that carries in Itself all the shades of beauties of He who manifests them, and all the keys and sounds of the joys and happiness of Our Divine Being.*

*Whence if Our Paternal goodness exposes His Life, His Beauty and Happiness even to create it in the midst of creatures, and they are not taken (with) an interest to know it in order to take it, through means of Our Knowledges already given to them, is it not just that they receive neither the beauty, nor the sounds of Our Joys as proper dowry.*

**They will have taken whatever they will have known, therefore there will be various choirs in the Hierarchy of the Kingdom of My Divine Will.**

**If you might know what difference will pass between who carries My Knowledges from the earth and between whom will acquire them in Heaven?**

*The first ones will hold it as proper dowry and one will see in them the Nature of the Divine Beauties, and they will hear the same sounds of the joys and happiness that their Creator makes heard and forms. Instead in the second ones it won't be neither Nature in them, nor proper dowries, but they will receive them through effect of communication of the others, almost as the earth receives the effects of the Sun, but it doesn't possess the nature of the Sun.*

**Hence those that will possess all the knowledges will form the highest choir, and so according to what they will know the different choirs will be formed.**

**However all those that will have acquired these knowledges be it in all, be it in part, they will have the noble title of the children of My Kingdom,** because these knowledges on My Fiat, they have the virtue of ennobling the creature for who has the good of knowing them in order to make of them proper life, and to make flow in the soul the vital humors of the Divine Life, and of elevating her to her former Origin, and they are as the brushstroke of the making (of) Man to Our image and likeness, and they will paint the image of the Creator in the creature.

*In regards then to whom will know some more and some less, (this) won't destroy their nobility, it will happen as for example a noble family, that holds many children, some of these give themselves to study, others to the beautiful arts, hence these elevate themselves more, they have high and decorous posts, they are more known, beloved and esteemed, because for the sciences that they possess they do more good in the midst of the people which the other brothers don't do. But with all that these, with their sacrifices elevate they themselves so much, it doesn't destroy that the other brothers are noble, because they carry in themselves all the noble blood of their Father; hence they dress nobly, they hold noble ways in working and in speaking, in everything.*

*Such will be the children of My Fiat, all noble, they will lose the roughness of the human volition, the miserable rags of the passions, it will put in flight the darkness of doubts, of fears, by the light of My Knowledges and will cast all in a sea of Peace.*

*Hence your Confessors (that) passed to other life will be as the prelude of the children of My Will, because the first sacrificed himself so much and worked in order to help the little field of your soul, and although then I spoke little to you of My Fiat, because (I) had to dispose you first, He will be as the first forerunner as the dawn that announces the Day of the Kingdom of My Will; your second and third Confessors, that took such part and knew to a large extent the knowledges of Him, and made so many sacrifices, especially the third, who loved so much that they might be known and who so sacrificed himself in the writing, they will be as Suns that emerge, that putting themselves in course form the Day full of Light.*

*Those that follow will be as the full noon of the great Day of My Will, according to the interest that they have had and will have, they will be put some to the first hour of the day of My Volition, some to the second, some to third, and some to the full noon. And do you believe that the memory of Padre di Francia, the so many of his sacrifices and desires to make My Will known, even to begin the publication, only because I have brought him with me to Heaven, his memory will be extinguished in this great Work of My Divine Fiat? No, no, rather He will hold the first place, because He, with coming from afar, went as in search of the most precious thing that can exist in Heaven and in earth, of the Act that most glorifies Me, rather it will give Me complete glory on the part of creatures, and they will receive complete goods.*

*He prepared the ground in order to make that My Divine Will might be known, so very true that he didn't spare anything, neither expense, nor sacrifice, and although he didn't complete the publication alone, with beginning it he prepared the ways, in order to make it that one day it might be known, and (that) the Work of My Will (might) have Life in the midst of creatures. Who can ever destroy that Padre di Francia has been the first initiator to make*

*the Kingdom of My Will known? And only because his life was extinguished, he didn't complete the publication?*

*So that when this great work will be known, his name, his memory, will be full of glory and of splendor and he will hold his act first in a work so great, as much in Heaven as in earth. In fact, why does a battle exist and almost each one hopes for the victory to conquer to retain the writings on My Divine Fiat?*

*Because He brought the writings in order to publish them, if this were not so, who would have spoken of them? No one, and if He might not have understood the importance, the great good of these writings, no one would have been interested. Therefore my daughter, my goodness is such that I award justly and superabundantly the good that the creature does, especially in this Work of My Will, that so very interests Me. What won't I give to whom occupies and sacrifices themselves in order to put in safety the rights of My Eternal Fiat. I will exceed so much in giving, that I will Make Heaven and earth marvel.”*

Whence I in hearing this thought to myself: if these knowledges contain such good, if Blessed Jesus will continue after my death (with) other knowledges of His Fiat to other souls, will He not attribute to that work - a work so great? And Jesus moving as in haste in my interior added:

*“No, no, My daughter, as it will be said of the Padre di Francia that he is the first propagator, your Confessors cooperators, thus will it be said that the little daughter of My Will has been the first and the depositary of such a good, to which (she) became entrusted and selected with (a) special Mission. Suppose a certain one had made an important invention, perhaps the others propagate it, diffuse it more, imitate it, magnify it, but no one can say: I am the inventor of this work; one will always say the inventor was the certain one. Thus, will it be with you, one will say that the Origin of the Reign of My Fiat, the Depositary has been the Little Daughter of My Will.”*

*And so, dear soul, as you do these Rounds of Love in the Nine Choirs of the Angels, fusing yourself into all the Light and Love with which Our Creator invested in each one, send forth into all the kingdoms of the earth, the Light and Virtues of each one of these angelic offices, so that wherever Satan and his legions of demonic spirits have entered they may now be evicted; so that the Kingdom of Our Lord, Jesus Christ may reign. Fiat!*

## **Rounds in the Angelic Choirs**

### **The Celestial Choir of Seraphim**

#### **☼ Office: Gifting the Ardours of Divine Love**

*O Holy and Divine Will, in your continual investing of the celestial choir of Seraphim with Your Divine Love, I fuse myself and all humanity into each Seraphim to receive the enrapturing flood of Your Divine Love. Opening my heart fully, I empty it of all attachments to self and keeping its mouth wide open I receive all the Love Your Divine Will wants to give, in the Seraphim, saying, 'O Beloved! My Life! Expand the boundaries of my heart to receive all Your Love; and, for every Act of Love of the Seraphim I say 'I Love You, I praise You, I thank You, I glorify You and May Your Kingdom come, Your Will be done on earth as it is in Heaven.' Fiat!*

## The Celestial Choir of Cherubim

### ☉ Office: Gifting the Perfections of Divine Truths

*O Holy and Divine Will, I fuse myself and all humanity into the Seas of Light in which you invest Your Divine Knowledge in the celestial Choir of Cherubim. I bring with me all Creation to also receive these Divine Truths praying they open their minds to do so. I empty my mind to receive Your Wisdom and Its Divine Light, which blinds the human mind of all its worldly knowledge such that it can say with our Mother, 'I know not Man'. And in this forgetfulness of Man and all his disordered ways we hope, O Father, to acquire Your Divine Mind and all Its Truths, through the courteous impregnation of the Cherubim. Amen. Fiat!*

## The Celestial Choir of Thrones

### ☉ Office: Gifting the Virtue of Divine Humility and Adoration of the Divine Majesty

*O Holy and Divine Will, I fuse myself and all humanity into that Divine Humility which You gift us through the Celestial Choir of Thrones. As You grow Jesus' Humanity in us, I want to embrace each one of His Acts so humble; becoming little in the womb of His Mother and then descending even into us in the sacramental host with the Light of His Will; allowing Himself to be circumcised and then accepting from us the 'cut' our human wills give Him at every instant; becoming a refugee in the arms of His Mother and father, Joseph - and now asking us to carry Him to safety from the murderous human wills that want to kill Him in all His children; submitting to daily labours to earn food for His family and investing our own hands and bodies with the strength to do the same labours; washing the feet of His apostles and our feet in all the acts of His self abasement before us; begging us to come to Him, receive from Him all His Love and forgiveness and be clothed with His own beauty and loveliness. And all this, because He was willing to allow Himself to be destroyed in all the humiliations He received in His Passion - even unto death on the Cross. All the untold and hidden Acts of His Humble Self I now enter and embrace*

*on behalf of all humanity so lacking in this virtue, by means of the celestial choir of Thrones.*

*Invest me O Jesus with that Humility by which You are always descending into every creature under the veils of Your adorable Will. In each one of these Acts of surrender to the human wills I come to You, embrace You, kiss Your wounds and pour over them the balm of the Divine Will and His Love and say, “May Your Kingdom come, Your Will be done on earth as It is in Heaven.” Amen. Fiat!*

## **The Celestial Choir of Dominions**

### **☼ Office: Gifting Governance over Human Passions**

*O Holy and Divine Will I fuse myself and all humanity into the attributes of the celestial choir of Dominions to receive from them governance over all our passions and harmony in all the humours of our body; synchronicity and balance in all our sensory perceptions and whatever else we need to make us peaceful instruments for the establishment of Your Kingdom on earth.*

*O Eternal King, Who rules everything in Creation with Your scepter of Peace, ordering all things for Good, I enter into You to invest my “I love You” in Your rule and taking Its Power, Wisdom and Love, to bring my passions into perfect harmony with Your own; and, loving You therein, I want to pour into all souls Your Dominion and with the help of the celestial choir of Dominions give to everyone equanimity in the humours of their body. I want to give everyone the divine response to every situation where pride, anger, envy or covetousness threatens to rule; May all be subdued by Your scepter of Dominion of Love in all and over all. Amen. Fiat!*

## **The Celestial Choir of Powers**

### **☼ Office: Gifting Triumph over the Fallen Angels**

*O Holy and Divine Will, I immerse myself and all humanity in You in order to enter the celestial choir of Powers and in them I want to gift every soul from Adam to the last with the divine power to overcome Satan’s whiles; and especially to surround all little children and the most vulnerable with their assistance – since they*

*cannot defend themselves against such evil. May we then be filled with your songs of triumphant praise of the wonders of God, Who alone can subdue all things.*

## **The Celestial Choir of Virtues**

### **☸ Office: Gifting the Celestial Virtues**

*O Holy and Divine Will, I fuse myself and all Humanity into You; in order to invest all with bridal garments of Light of Your Kingdom. May we unite always with You in perfect Unity of Peace, Joy and Love. O Holy Virtues, without you we cannot hope for Union with Our Beloved since we need you to vest us for our wedding. Come quickly to fill us, beautify us for our Divine Spouse, so that we may hear His beautiful words, “Come, then my love, my lovely one come! – possess the Kingdom prepared for you! Fiat!*

## **The Celestial Choir of Principalities**

### **☸ Office: Gifting Peace to the Principalities of the Church and to individual souls**

*O Holy and Divine Will I fuse myself and all Humanity into You and in all the Peace with which You invest the celestial choir of Principalities, I gift this Peace to the principalities of Your Mystical Body on earth. I invest this Peace in all children especially those most disrupted and wounded by degraded humanity. I invest it in all who govern others; who teach, lead and guide others; who care for the sick, wounded and dying. May the scepter of Peace be clearly visible in all the kingdoms of the earth and all hatred, bitterness, envy and covetousness be driven out of hearts, through the ministry of this celestial choir of angels.*

*I enter into the Peace of Christ, the core of His Sacred Heart and therein I bring all the generations from Adam and Eve to the last who shall live to be infused with this Peace, that the world cannot give. May the kingdoms of this world led by the spirit of the anti-Christ be destroyed in the Fire of Divine Love and be replaced by kingdoms of Peace and Love ruled by Jesus our true King. Fiat!*

## **The Celestial Choir of Guardian Angels**

### **☼ Office: Guardianship over all creatures**

*O Holy and Divine Will, I fuse myself into You to invest you with the gratitude of Your own Heart for the gift of our guardian angels, who are ignored mostly and even when acknowledged, are little called upon to minister their various offices for the safety and salvation of souls. Therefore, now in the majesty of Your Will, I want to ask them to assist the little children in their care, protecting them from all evil; protect the vulnerable, the elderly, mentally distraught souls and orphans from the ravages of evil predators. In this age, never more has such evil been forced on the little and vulnerable ones. Oh, please guardians of God's goodness in souls, help, protect and enlighten us; reveal yourselves to the little ones as friends of their life.*

*O most wonderful angels, who from our conception watch over us with diligence and sweetness - fill us with all the illuminations of the Divine Light. With the angelic voices of the Divine Will, I ask you to act for souls who do not know you or call upon you; especially the little innocent newly conceived. My own guardian, I praise God in you and for you; and ask you to take to His Throne all my prayers from the first to the last and all the prayers and in all the acts I should have done but have not done, I ask you to substitute for me.*

*I thank you, holy guardians, for all you have done in your defending us from the evil machinations of the devil and his cohorts; and I implore you to continue defending us from all laws which oppose true life; from all deceptions, especially those under the guise of good. Together with Our Beloved Mother, St Joseph, Luisa, St Annibale and St Pio win for us this victory; and in my life and everywhere form only holy unions for the coming of the Kingdom on earth as in Heaven. Amen. Fiat!*

**Holy Angels of God guard His children  
I ask you in His Adorable Will!**

***I was doing the Hours of the Passion,  
and blessed Jesus told me:***

*“My daughter, in the course of my mortal life, thousands and thousands of Angels were the cortege of My Humanity, gathering everything I did – My steps, My works, My words and even My sighs, My pains, the drops of My Blood – in sum, everything. They were the Angels in charge of My custody and of paying Me honor; obedient to My every wish, they would rise to and descend from Heaven, to bring to the Father what I was doing. Now these Angels have a special office, and as the soul remembers My Life, My Passion, My Blood, My Wounds, My Prayers, they come around this soul and gather her words, her prayers, her acts of compassion for Me, her tears and her offerings; they unite them to mine, and they bring them before My Majesty to renew for Me the glory of My own Life. The delight of the Angels is so great that, reverent, they listen to what the soul says, and pray together with her. So, with what attention and respect must the soul do these Hours, thinking that the Angels hang upon her lips to repeat after her what she says.”*

- ✠ *Fusing myself into the Divine Will in you dear Archangel Gabriel, I reverence my Mother and the Word made Flesh in Her. In your adorations of Her Majesty and the Divine Majesty of Jesus, King of Heaven and earth, I enter therein to adore profoundly with all the adoration of the Divine Will, Jesus, very little in Her Womb formed from the Immaculate Blood of Her Heart – His Heart formed from Hers. No other Union in all Creation can be as divine as this One. Let me kneel in you and with you, Gabriel, before my dear Mother filled with the Life of God and never remove myself from this place of adoration and deep love for this great Mystery.*

- ✿ *I accompany you Gabriel to be with you when you were sent by Our Holy Mother to take the strengthening Chalice to Jesus after He has drunk the Chalice of bitter agonies given Him by our sins. I am with you to lift Him up from the ground and give Him the strength to walk towards His betrayer to receive that infernal kiss! Help me Gabriel to give Him always, full and consciously, my little sufferings, sorrows and pains to pour into that Chalice to relieve Him.*
- ✿ *I pour my 'I love You', those of holy Mother, Luisa, Abba Joseph, Padre Pio, St Annibale, St Francis and all the saints into this Chalice to sweeten all the bitternesses He has received from us - so many, only His Divinity could digest them; only His Divine Love could sweeten them. Oh, be our help Gabriel, when we too need strengthening in our bitternesses and deep sorrows, so great now on earth when the demons are out in force to kill the Life of Christ in us.*

*"While I prayed in my little room an angel came sent from heaven as messenger of the great Kin. He placed himself before Me and bowing, saluted me: 'Hail, O Mary, our Queen, the Divine Fiat has filled You with Grace. He has already pronounced the 'Fiat' that He wants to descent. He is ready. He is behind me, but He wants your Fiat to form the completion of His Fiat.' At an announcement so great, so desired by me, though I had never thought of being the chosen one, I was astonished and hesitated an instant. But the Angel of the Lord said to Me: 'Do not fear, our Queen. You have found grace before God. You have won our Creator, therefore, to complete the victory, pronounce your Fiat.' I pronounced the Fiat and oh, marvel! The two Fiats fused together and the Divine Word descended into Me. My Fiat, strengthened by the same value of the Divine Fiat, formed of the seed of my humanity, the tiny, little Humanity that should enclose the Word. And so, the great prodigy of the Incarnation was accomplished."*

- ✿ *St Raphael, heal us of our blindness, fill us with ardent prayers, full of pure Love for God. Obtain for us the gift of Chastity, form holy unions in our lives that will build up the Kingdom of God and defeat the evil Asmodeus who wants to destroy all holy unions. Thank you for all you have done in my life.*
- ✿ *I fuse myself into the Divine Will, which is all and in all, and in the power of these four offices you hold, I make reparation for all who do not receive from them the riches they contain; because they do not believe; and so all but a few are sick. My guardian Raphael, bring to me my True Spouse, Jesus, and bring us all to Him, Who alone is True Love, Who alone is Life, Who alone is Holy. Form for all His children holy nuptial*

*unions; form for me always holy unions - made in Heaven; unions which will flourish with many "divine lives" for the Kingdom; and restore to me all that I have lost through living in my human will; obtain for me forgiveness for my sins in marriage and my sins as a mother and grandmother.*

- ✿ *Give us the Dart of Divine Love that we may penetrate the Heart of God so deeply that His Mercy will descend upon our world and bring His Kingdom on earth as in Heaven.*

*"Then Raphael took them both aside and said, 'Bless God! Utter His praise before all the living for all the favours He has given you. Bless and extol His Name. Proclaim before all men the deeds of God as they deserve and never tire of giving Him thanks. It is right to keep the secret of a king, yet right to reveal and publish the works of God ... Prayer with fasting and alms with right conduct are better than riches with iniquity ... Almsgiving saves from death and purges every kind of sin ... You must know that when you and Sarah were at prayer, it was I who offered your supplications before the glory of the Lord and who read them; so too when you were burying the dead. When you did not hesitate to get up and leave the table to go and bury a dead man, I was sent to test your faith, and at the same time God sent me to heal you and your daughter in law Sarah. I am Raphael, one of the seven angels who stand ever ready to enter the presence of the Glory of the Lord.'"*

## *Doing the Hours of the Passion, Blessed Jesus told me:*

*“My daughter, in the course of My mortal life, thousands and thousands of Angels were the cortege of My Humanity, gathering everything I did – My steps, My works, My words and even My sighs, My pains, the drops of My Blood – in sum, everything. They were the Angels in charge of My custody and of paying Me honor - obedient to my every wish. They would rise to and descend from Heaven, to bring to the Father what I was doing. Now these Angels have a special office, and as the soul remembers My Life, My Passion, My Blood, My Wounds, My Prayers, they come around this soul and gather her words, her prayers, her acts of compassion for Me, her tears and her offerings; they unite them to mine, and they bring them before My Majesty to renew for Me the glory of My own Life. The delight of the Angels is so great that, reverent, they listen to what the soul says, and pray together with her. So, with what attention and respect must the soul do these Hours, thinking that the Angels hang upon her lips to repeat after her what she says.”*
